Jews And The Left Kevin

Jews and the Left: The Rise and Fall of a Political Alliance by the Jewish Australian academic Philip Mendes covers much of the same ground, rehashing many of the same apologetic tropes. Mendes, an Associate Professor at Monash University in Melbourne, describes his book, published in 2014, as “the first publication to provide a systematic historical and political overview of the relationship between Jews and the left.”.

The Jewish left consists of Jews who identify with, or support, left-wing or liberal causes, consciously as Jews, either as individuals or through organizations. There is no one organization or movement which constitutes the Jewish left, however. Jews have been major forces in the history of the labor movement, the settlement house movement, the women's rights movement, anti-racist and anti-colonialist work, and anti-fascist and anti-capitalist organizations of many forms in Europe, the United S
