Volume 1 of "Marvel Masterworks: The Avengers" represents what I would consider the weakest stories in the history of Marvel's answer to DC's Justice League of America. Collected in this volume are full-color reprints of the first ten issues of "The Avengers," which covers the first two lineups to answer the call, "Avengers Assemble!"

This volume collects the first 10 issues of the Avengers, first published in 1963 and 1964. My guess is that the Avengers was meant as Marvel's answer to DC's Justice League of America (JLA). In the beginning, the team consisted of Thor, Iron-Man, Ant-Man and the Wasp, and the Hulk. Right away, you can see a contrast with DC's JLA, which included both Superman and Batman -- DC's most popular characters.
