Going Global: A Congregation's Introduction to Mission Beyond Our Borders. The ways to be effective in global missions have changed. The authors believe that content and values must undergird the North American local church's approach to global mission. It is not enough to "do something." It is in fact possible to do all of the right things in all of the wrong ways, with negative results.

Going Global. The Congregational Federation is in partnership with a number of global learning projects. These provide opportunities for students and churches to interact with Christians in other contexts and cultures. We are in partnership with CWM (Council for World Mission), which brings together 31 member churches with a shared heritage in mission.

Going Global - Introduction - Congregational Federation

Going Global discusses common principles and practices that inform and energize local churches as they enter the global ministry arena. This book will assist church leadership as they look for resources to help them balance the agenda of short-term versus long-term mission, fund-raising, and the tension between evangelism and compassionate social ministry.
