This study is a systematic review to examine homeless

veterans identified to be most at risk of unsuccessfully completing the VA's housing program (HUD-VASH), which promotes the use of Housing First (HF) as it's model for treating homelessness. The literature review identified those who were rural and experiencing comorbid substance use disorders (SUD) and mental health issues to likely be ...

"A Systematic Review of Rural Veteran Homelessness" by ...

Researchers have intimated for over 25 years that rural populations approach health in a distinct fashion that may differ from their non-rural counterparts. We conducted a

systematic review of the literature to assess the extent and strength of evidence for rural definition of health.

Rural definition of health: a systematic literature review ...

This review examines the status and trends of water reallocation from rural to urban regions based on academic literature and policy documents. Methods: We conduct a systematic literature review to establish the global reallocation database (GRaD). This process yielded 97 published studies (academic and policy) on rural-to-urban reallocation.

A Systematic Review of Rural Development Research ...

A systematic review published in 2019 on non-critical emergency presentations in the rural and remote emergency departments found that there was potential for telehealth

programmes to assist in reducing unnecessary patient transfer and secondary over-triage [12].

Effectiveness and cost-effectiveness ... - Systematic Reviews

To increase the number of physicians who choose to work in rural practice, strategies must encompass and promote continuity across all three of these phases. The results of this systematic review will allow for the identification of areas of priority that require further attention to develop appropriate strategies to improve the number of family physicians working in rural and remote locations

A systematic review of reviews: Recruitment and retention ...

This systematic literature review confirms that rural social enterprises are characterised by strong local involvement with an ability to combine different goals and resources. Based on this review, we suggest that the rural and local contexts, often combined with tailored external support, are important factors in enabling rural social enterprises.

Rural social enterprises in Europe: A systematic ...

A systematic review is a complex piece of research that aims to identify, select and synthesise all research

published on a particular question or topic. Systematic reviews adhere to a strict scientific design based on pre-specified and reproducible methods. They provide reliable estimates about the effects of interventions.

What is a systematic review? | Systematic reviews ...

This paper presents a systematic review of the literature on urban-rural comparisons on various outcomes for informal carers who provide care for elderly people in the community. Of 150 articles that were reviewed, eight articles were included with three themes in the outcomes for carers: service use, health promotion behaviors

and psychological health (such as carer stress, burden or depressive symptoms).

Urban-rural comparisons of outcomes for informal carers of ...

Our aim was to collate, review and synthesise the available literature regarding telehealth services in rural and remote locations of Australia, and to identify the factors associated with their sustained success.

Methods: A systematic literature review of peer-reviewed and grey literature was undertaken. Electronic databases were searched for ...

Telehealth services in rural and remote Australia: a ...

However, despite the importance of travel

for older people in rural areas, there are no systematic reviews focused on their experiences of everyday travel. We address this gap by synthesising evidence from UK qualitative studies. 2. Methods. Our review is registered on PROSPERO (CRD42018086275).
