The Boo Boos That Changed

The Boo-Boos That
Changed the World: A
True Story About an
Accidental Invention
(Really!) is a children's
picture book written by
Barry Wittenstein and
illustrated by Chris
Hsu. This lighthearted
story about the origins
of the Band-Aid
suggests that necessity
truly is the mother of
invention.

...

The Boo-Boos That Changed the World delivers an interesting narrative about Band-Aids. Children will enjoy the comical way the author pretends to end the story when there is more to tell. The cartoonish illustrations add to the story of this great invention known worldwide. Response to Literature

The Boo-Boos That Changed the World: A True Story About an ...

I felt this way when I read The Boo-Boos That Changed the World written by Barry Wittenstein and illustrated by Chris Hsu. Luckily, I was not disappointed and can

not wait to use these sources with my students. If the title does not give away the focus of the story, Hsu's cover and endpapers plastered with Band-Aids do.

The Boo-Boos That Changed the World A True Story About an Accidental Invention (Really!) By: Barry Wittenstein / Illustrated by: Chris Hsu A True Story About an Accidental Invention (Really!) Earle Dickson's wife would often cut her fingers while working around the house.

The Boo-Boos That Changed the World - Charlesbridge

THE BOO BOOS THAT CHANGED THE WORLD is the true story of Earle Dickson, the inventor of the

adhesive bandage. Earle's wife inspired the idea because she frequently cut herself in the kitchen. Earle devised a homemade solution using adhesive tape, sterile gauze, and crinoline. He brought it to his employer-Johnson & Johnson-who worked with Earle to develop multiple iterations of the product.

Picture Book Review: The Boo-Boos that Changed the World ...

Band-Aids were born, but Earle's bosses at the pharmaceutical giant weren't convinced, and it wasn't until the Boy Scouts of America tested Earle's prototype that this ubiquitous household staple was made available to the public.

Soon Band-Aids were selling like hotcakes, and the rest is boo-boo history.

**Recorded Books -
The Boo-Boos That
Changed the World**

Barry Wittenstein (The Boo-Boos That Changed the World) never set out to become a picture book author. He was raised on the Dick and Jane series during the 1950s. Picture books then were not the same as they are now, and parents didn't read as much to their kids as they do today.

**Barry Wittenstein
explores invention
of Band-Aid in Boo
...**

Barry Wittenstein hilariously shares the story of Earle Dickson: The Boo-Boos That Changed the World

with quick wit and sense of humor to share the accidental creation of band-aids. I love reading biographies and finding out about the incredible things people have done in history that has provided us with little luxuries (that we do not even think about).
