...

The current study investigates the offending trajectories of juvenile sex offenders (JSOs) across and beyond adolescence. In doing so, the study examines the number, the rate, and the shape of nonsexual and sexual offending trajectories in a sample of JSOs followed retrospectively and prospectively from late childhood to adulthood.

A Developmental Taxonomy of Juvenile Sex Offenders for

...

Juvenile offenders have grown to become a serious problem in many countries, especially the United States. Like adult offenders, juvenile offenders are more likely to reoffend,

especially without the proper guidance and assistance they need in order to live a law abiding life. Research within the last five years has led to identification of specific program models as well theory -based intervention approaches that not only assist juvenile offenders in leading productive lives but also keeps ...
