Politics In The West - The US from 1800 to mid 1800s

In western Europe, three major categories of parties have developed since the beginning of the 19th century: conservative, liberal, and socialist. Each reflects the interests of a particular social class and expounds a particular political ideology.

Political party - Party systems | Britannica

Abstract. Conventional accounts of the reemergence of social pacts in Western Europe argue they are a governmental response to economic pressures, in particular the requirements for joining the European Monetary Union (EMU). The authors analyze three case studies—the Netherlands, Ireland, and

Austria— to illustrate the usefulness of an alternative explanation centering on electoral calculations by political parties in choosing pacts.
