Selling is really about people skills - to be successful in sales, you must be able to cooperate, have good listening skills, and be willing to put others' needs before your own. With selling skills in your arsenal, you'll be happier in a lot of areas of your life, not just in your career (although that will certainly benefit too).

Selling for Dummies by Tom Hopkins - Goodreads

Short selling (also known as going short or shorting the market) means that you're selling the market first and then attempting to buy it later at a lower price. It's exactly the same principle of "buy low, sell high," just in the reverse order — you sell high and then buy low. Credit: Figure by Barry Burns
