This book is an attempt to present and disentangle the various positions put forward by major actors and to clarify ...

Women, the Environment and Sustainable Development ...

In many countries, women are among the most vulnerable to climate change and environmental impacts, partly because they make up the larger share of the agricultural work force and tend to have access to fewer income-earning opportunities. However, women are not only on the frontlines of crisis, they are on the frontlines of change. They are central actors, with unique knowledge and solutions in moving towards sustainability.

Women's Environment & Development Organization

Which option describes women's relationship with the environment? Women produce between 60 – 80 percent of the world's food; Women are the chief resource managers for many families across the world; Women are most vulnerable to environmental threats because they are often more dependent on natural resources for food, fuel, and shelter.

Chapter 11: Women and the Environment - Global Women's ...

Women are more vulnerable to environmental degradation and climate change but also have different perspectives, concerns and ideas for change. Until these are taken on board, with women empowered to play a full

part in decision-making at all levels, environmental sustainability will remain a distant goal.

Why women's empowerment is essential for sustainable ...

- Finally, empowering women and creating enabling environments to foster women's effective participation and leadership in the management of environmental resources will positively influence conservation and resource efficiency. Women's participation and leadership are outcome-changing factors for the sustainable management of resources.

Gender, the Environment and Sustainable Development in ...

Sustainable development requires action on three fronts: social, economic and environmental. Women are central to progress in each area, as reaffirmed by the 2012 Rio+20 agreement, which makes commitments to ensuring women's equal rights and opportunities.
