Hospice Palliative Care In Nepal

It is a Non Profit charity organisation duly registered with the Government of Nepal. Hospice Nepal is the first Palliative Care Centre established in Nepal which cares for patients suffering from life-threatening illness, particularly cancer when curative treatment options run out. Hospice Nepal helps in improving quality of life of the patients.

Hospice Nepal

Binaytara Foundation's home hospice and palliative care program in Nepal started in January 2016. The hospice care team visits patients at homes as needed and provides education, support, and comfort care to the patients and their families. Hospice and palliative care is holistic care and includes addressing the social, psychological, and spiritual needs of patients with incurable diseases, as well as their physical needs.

Nepal Hospice & Palliative Care - Binaytara Foundation

In 2017, Nepal adopted a National Strategy for Palliative Care that recognizes the need for providing appropriate palliative care in all parts of the country. It builds on the firm foundation that has been developing over the last 20 years and recognizes Nepal's other health resources, including highly trained general practitioners who often work in rural hospitals.
