The Media Production and Technology Show brings together the UK media and broadcast industries. The interactive exhibition and seminar programme cover all aspects of content production, including pre-production, lighting, audio, technology, post and sports broadcasting.

The Media Production & Technology Show 2020

A media event, also known as a pseudo-event, is an event, activity, or experience conducted for the purpose of media publicity. It may also include any event that is covered in the mass media or was hosted largely with the media in mind. Media events may center on a news announcement, an anniversary, a news conference, or planned events like speeches or demonstrations.

Media event - Wikipedia

This is the first time a public 5G network has been used by a production team for a live TV programme, and demonstrates the potential that 5G has in broadcast production. Over time the internet will play an increasingly important role in all

aspects of broadcasting – from production scenarios like this, to the way content is distributed and ultimately enjoyed by people wherever they are.
