Santana - Shades of Time Lyrics | Genius Lyrics

Naturally, there are many trappings of the time -- the earnest harmonies, the occasional harmonica or organ, the understated yet insistent rhythms underpinning it all -- but part of the appeal of Shades of Time is that it evokes 1968, but the album is more than a cultural artifact; it has a sweet, gentle

spirit that's quite comforting and ingratiating.

In early 2003 Ti Sento Milano launched its first collection of fashion jewellery. A

line based on the thought process of creating a luxurious, yet fashionable and above all accessible jewellery range. With truly the highest quality manufacturing available, hand set by old school diamond setters (no glue allowed), Ti Sento Milano grabbed an obvious niche in the jewellery market. 18k gold and precious stones were already then, but even with today's price tags still are, simply too expensive.

Product description. A little bit folk, a little bit country and a little bit rock, the Pozo Seco Singers never hit it big- despite the fact that they launched the career of country superstar Don Williams, but their recordings remain highly coveted by collectors of all three styles. This album, released in 1968, saw the duo of Williams and Susan Taylor (a.k.a. Taylor Pie) drop the "Singers" - from their moniker and move in a more topical, rock-oriented direction.
