Nationalism - Wikipedia

According to the ideology of nationalism, the central entity or unit governing political and cultural life is the nation. Each individual “belongs to” a particular nation and attains identity by virtue of his or her relationship to the nation, and its “national life.”

Nationalism, Nazism---Genocide

Nationalism, the ideology of the nation-state, stands for the sense of togetherness of a people in terms of ethnic, religious, linguistic, territorial, and other unities. It is generally considered a secular (nonreligious) concept of Western origin. Religious nationalism is therefore considered inimical to the secular state.
