Single String Studies Guitar Bruce

Studying the guitar by isolating practice to one string is one of the hallmarks of many of the great teachers on the east coast. First, it immediately forces a student to stop playing patterns. Second, playing on a single string forces the tempo down so that different melodic choices must be explored, and third it makes you really think of what notes you are playing.

Single String Soloing - By Pete Sklaroff For many beginner guitarists, the first thing they ever play on the instrument is likely some kind of melody or run using single string soloing. In my case I'm pretty sure it was an attempt to play 'Smoke On The Water' by Deep Purple, which was a real effort at that time as I recall, despite it being a fairly simple riff.
