The Road Less Travelled *Random House*

"Confronting and solving problems is a painful process which most of us attempt to avoid. Avoiding resolution results in greater pain and an inability to grow both mentally and spiritually. Drawing heavily on his own professional experience, Dr M. Scott Peck, a psychiatrist, suggests ways in which facing our difficulties - and suffering through the changes - can enable us to reach a

higher level of self-understanding. He discusses the nature of loving relationships- how to distinguish dependency from love; how to become one's own person and how to be a more sensitive parent. This is a book that can show you how to embrace reality and yet achieve serenity and a richer existence. Hugely influential, it has now sold over ten million copies - and has changed many people's lives round the globe. It may change yours."

The Road Less Traveled, 25th Anniversary Edition

A New Psychology of Love, Traditional Values, and Spiritual Growth *Simon and Schuster*

Perhaps no book has had a more profound impact on intellectual and spiritual lives than "The Road Less Traveled." In his new Introduction, Dr. Peck recalls how this book evolved from his own early ideas as a therapist who was just beginning his own spiritual growth.

Further Along the Road Less Traveled

The Unending Journey Towards Spiritual Growth *Simon and Schuster*

Explores love, relationships, and spiritual growth, covering blame and forgiveness, the New Age movement, death and the meaning of life, and other topics.

Further Along the Road Less Traveled

The Unending Journey Toward Spiritual Growth : the Edited Lectures

THE ROAD LESS TRAVELLED made publishing history with its world sales of over 7 million and a place on international bestseller lists for over a decade. It has been said that it has had a more profound effect on our intellectual and spiritual lives than any other book except the Bible. In FURTHER ALONG THE ROAD LESS TRAVELLED, Dr Peck, writing with insight and sensitivity, addresses questions of personal growth such as: blame and forgiveness, death and the meaning of life, sexuality and spirituality, families, self esteem and addiction, revealing how personal change is possible, however difficult and complex the journey.

The ROAD LESS TRAVELED INT'L EDITION *Touchstone*

Confronting and solving problems is a painful process, which most of us attempt to avoid. Drawing heavily upon his own professional experience, Dr. M. Scott Peck, a practicing psychiatrist, suggests ways in which confronting and resolving our problems can enable us to reach a higher level of self-understanding.

A Pocket Book of Robert Frost's Poems

The Road Less Traveled

A New Psychology of Love, Traditional Values and Spiritual Growth *Simon and Schuster*

Now featuring a new introduction by Dr. M. Scott Peck, the

twenty-fifth anniversary edition of the classic bestseller *The Road Less Traveled*, celebrated by *The Washington Post* as “not just a book but a spontaneous act of generosity.” Perhaps no book in this generation has had a more profound impact on our intellectual and spiritual lives than *The Road Less Traveled*. With sales of more than seven million copies in the United States and Canada, and translations into more than twenty-three languages, it has made publishing history, with more than ten years on the *New York Times* bestseller list. Written in a voice that is timeless in its message of understanding, *The Road Less Traveled* continues to help us explore the very nature of loving relationships and leads us toward a new serenity and fullness of life. It helps us learn how to distinguish dependency from love; how to become a more sensitive parent; and ultimately how to become one’s own true self. Recognizing that, as in the famous opening line of his book, “Life is difficult” and that the journey to spiritual growth is a long one, Dr. Peck never bullies his readers, but rather guides them gently through the hard and often painful process of change toward a higher level of self-understanding.

The Road Less Traveled and Beyond

Spiritual Growth in an Age of Anxiety *Simon and Schuster*

The founder of the Foundation for Community Encouragement draws on his counseling experience to lead readers to the spiritual simplicity that lies on the other side of complexity and explains how to cope with the fears and shortcomings of life

On the Road Less Traveled

An Unlikely Journey from the Orphanage to the Boardroom *Simon and Schuster*

A powerful story touched with family trauma, deprivation, and adversity balanced by a life of hard work and philanthropy! On *The Road Less Traveled* is the inspirational story of Edmund A. Hajim, an American financier and philanthropist who rises from dire childhood circumstances to achieve professional success and personal fulfillment. At age three, Hajim is kidnapped by his father, driven from St. Louis to Los Angeles, and told that his mother is dead. His father soon abandons him in order to seek employment—mostly in vain—leaving his son behind in a string of foster homes and orphanages. This establishes a pattern of neglect and desertion that continues for Hajim’s entire childhood, forever leaving its mark. From one home to another, the lonely boy learns the value of self-reliance and perseverance despite his financial deprivation and the trauma of being an orphan. As time passes, Hajim displays a powerful instinct for survival and a burning drive to excel. A highly motivated student and athlete, he earns an NROTC college scholarship to the University of Rochester; serves in the United States Navy; works as an application research engineer; then attends Harvard Business School, where he finds that the financial industry is his true calling. So begins his rapid ascent in the corporate world, which includes senior executive positions at E. F. Hutton, Lehman Brothers, and fourteen years as CEO of Furman Selz, growing the company more than tenfold. He also creates a happy and abundant family life, though he never forgets what it means to struggle. At age sixty, he is reminded of his painful past when a family secret emerges that brings the story full circle.

The Road Less Traveled

Wisdom from the Road Less Traveled *Andrews McMeel Publishing*

M. Scott Peck's inspirational book has sold more than six million copies. This Monterey Edition showcases the author's enriching and life-affirming message.

Further Along the Road Less Traveled

The Unending Journey Toward Spiritual Growth : the Edited Lectures

Explores love, relationships, and spiritual growth, covering blame and forgiveness, the New Age movement, death and the meaning of life, and other topics

The Road Less Traveled

The Secret Battle to End the Great War, 1916-1917 *Public Affairs*

A revelatory new history that explores the tantalizing and almost-realized possibility that the First World War could have ended in 1916, saving millions of lives and utterly changing the course of history. In August 1916, two years into World War I, leaders in all the warring powers faced a crisis. There were no good military options. Money, people, and food were running short. Yet roads to peace seemed daunting too, as exhausted nations, drummed forward by patriotic duty and war passion, sought meaning from their appalling sacrifices. Germany made the first move. Its

government secretly asked Woodrow Wilson, President of the United States and leader of the only great power still neutral, to mediate an end to the Great War. As a token of good faith, Germany promised to withdraw from occupied Belgium. Wilson was too anxious to make peace. If he failed, he felt sure America would drift into a dreadful, wider war. Meanwhile, the French president confided to Britain's King that the Allies should accept Wilson's expected peace move and end the war. In *THE ROAD LESS TRAVELED*, Philip Zelikow recounts the five months when, behind closed doors, the future of the war, and the world, hung in the balance. It is a story of civic courage, of awful responsibility, and of how some rose to the occasion or shrank from it. "Peace is on the floor waiting to be picked up!" pleaded the German ambassador to the United States. This book shows how right he was, and how close leaders came to doing so.

Exploring the Road Less Traveled

A Study Guide for Small Groups *Simon and Schuster*

The Road Less Traveled

Reflections on the Literatures of the Horn of Africa *Red Sea Press(NJ)*

A horn is an instrument either for protection or destruction. The "horn" in the Horn of Africa has for so long turned inward, and on its people, thus victimizing those it was supposed to defend. The ensuing internecine bloodletting has thrown the region into an abyss out of which it is still struggling to emerge. Much of the

story of this abyss is captured in social, political, economic, and literary treatises written by indigenous and international experts. Rarely, however, has there been a single volume that brings together keen analyses of the expressive arts of Djibouti, Eritrea, Ethiopia, Somalia, and Sudan. *The Road Less Traveled* is the first book of its kind. It brings together in the same volume essays on the literatures of the Horn of Africa written by renowned regional and international scholars. All the countries in the region, their major writers, and the genres through which the people in the Horn express themselves are given careful attention. The volume also includes essays that traverse borders, and/or transgress generic delineations/delimitations. The essays in the volume attest to a simple fact, namely, that through the arts humans weave a labyrinthine system of symbolic representations that bear witness to lives lived or imagined. And while in the Horn of Africa catastrophes may abound, the calamity that besets this region can equally be explained through its antiphony: the perseverance and cosmic, albeit cautious, optimism of its people. A horn, after all, is also a way of making music.

Learn all this in *A Journey Through the Scottish Rite: A Road Less Traveled* A closed mind goes nowhere; an open mind can travel the universe.

Teacher's Journey

The Road Less Traveled *Tate Publishing*

Robert John Meehan's poetic insight into the heart and soul of both teacher and student tugs at readers' emotions like few writers can. His depth of experience as a teacher in some of the nation's most difficult schools over a period of four decades is deeply embedded in each of his selections of poetry. His ability to share the joy, sorrows, and at times, the horror of teaching in today's inner city schools is brought to the forefront in each of the poems included in his *The Teacher's Journey*. Meehan has accomplished much over the past decades in encouraging other teachers to share their feelings, emotions, and experiences in working with students. Follow Meehan as he inspires students

and teachers alike in *The Teacher's Journey* to understanding the meaning of being an authentically effective teacher.

The Gay Road Less Traveled

Adventures in this book include a cat's murder, stealing from IKEA and Wal-Mart, crimes against the Alabama government, gender confusion, battling old Haitian women for flea market trash, an infestation of roaches, escort services, scratching and shaking a toddler, a raccoon love story/tragedy, abortion murders, prostitution, the rise and fall of a drag queen, and vacationing in Little Haiti.

Golf and the Spirit

Lessons for the Journey *Harmony*

Golf. It's the ultimate head game. And when nothing but the best advice will do, along comes M. Scott Peck, M.D., the celebrated psychiatrist and author of the best-selling self-help book of all time, *The Road Less Traveled*. In *Golf and the Spirit*, M. Scott Peck writes a book for beginners and masters alike--and even for nongolfers. It goes beyond mechanics to explore the deeper issues, ways of successfully managing the emotional, psychological, and spiritual aspects of this most wonderful, maddening, deflating, and inspiring game. Playing side by side with M. Scott Peck on an imaginary course of his own design--complete with illustrations of each hole--you will come to see the profound truths in this seemingly simple game. Appreciate that life is not linear. Come to understand your own anger and how to heal that which gets in your way. Accept the gifts of humility.

Appreciate kenosis, the process by which the self empties itself of self. Benefit from teachers. Know that in weakness often there is strength. Realize that to experience the blessings of golf and life fully, you must accept the divinity that underlies all things. Like the best-selling volumes of Harvey Penick and Michael Murphy, *Golf and the Spirit* makes a unique contribution to the literature of golf and life. It goes beyond the body to address the heart and soul of the game, creating a rare opportunity for transformation in the lives of its readers, both on and off the fairway. It seems to me the human condition is most basically that we are willful creatures living in a world that, much of the time, doesn't behave the way we want it to. We live in the tension between our will and reality. Sometimes with great effort and expertise, we can change reality or bend it to our will. At other times--also with great effort and expertise--it is we who must change by coming to accept the limitations of the world and of ourselves. How we do this--how we deal with the hazards of life--is quite akin to how we deal with the hazards of a golf course. Sooner or later golfers who stick with the game long enough will almost always come to see it as a metaphor for life. But the word metaphor fails to do justice to all that golf has to teach us. I would go even further and say that, in its own way, golf is life and, not only that, life condensed. If we choose to use it as such, I believe that golf, next to marriage and parenthood, can routinely be the greatest of life's learning opportunities.

The Road Less Traveled

The Secret Battle to End the Great War, 1916-1917

PublicAffairs

During a pivotal few months in the middle of the First World War all sides-Germany, Britain, and America-believed the war could be concluded. Peace at the end of 1916 would have saved millions of lives and changed the course of history utterly. Two years into the most terrible conflict the world had ever known, the warring powers faced a crisis. There were no good military options. Money, men, and supplies were running short on all sides. The German chancellor secretly sought President Woodrow Wilson's mediation to end the war, just as British ministers and France's president also concluded that the time was right. The Road Less Traveled describes how tantalizingly close these far-sighted statesmen came to ending the war, saving millions of lives, and avoiding the total war that dimmed hopes for a better world. Theirs was a secret battle that is only now becoming fully understood, a story of civic courage, awful responsibility, and how some leaders rose to the occasion while others shrank from it or chased other ambitions. "Peace is on the floor waiting to be picked up!" pleaded the German ambassador to the United States. This book explains both the strategies and fumbles of people facing a great crossroads of history. The Road Less Traveled reveals one of the last great mysteries of the Great War: that it simply never should have lasted so long or cost so much.

Eureka: Road Less Traveled *Penguin*

A Global Dynamics researcher has a breakthrough on her project visualizing another dimension. And since GD's experiments have a bad tendency to affect the entire town, Sheriff Jack Carter

heads over to check it out. What he sees blows him away. The project has revealed a parallel universe, complete with another Eureka-one in which Carter doesn't exist! But as the two worlds begin to bleed into each other and residents confront their alternate selves, Carter may be the one man who can keep both Eureka's from being destroyed.

The Road Less Traveled**Turning Your Retirement Worries Into an Excursion of a Lifetime**

Money represents more than the paper it's printed on. It is the embodiment of your time, your talents, and your commitments. It buys the food you eat, the house you sleep in, the car you drive, and the clothes you wear. It also helps provide you with the lifestyle you want to live once you retire. You have spent a lifetime earning it, spending it, and hopefully, accumulating it. When the time comes for retirement, you want your money to provide you with a comfortable lifestyle and stable income after your working days are done. You might also have other desires, such as traveling, purchasing property, or moving to be closer to your family (or farther away). You may also want your assets to provide for your loved ones after you are gone. The truth is that it takes more than just money to fulfill those needs and desires. Your income, your plans for retirement, your future healthcare expenses, and the continued accumulation of your assets after you stop working and drawing a paycheck all rely on one thing: You.

The Poetry of Robert Frost

The Collected Poems, Complete and Unabridged *Macmillan*

This definitive, paperback edition brings together more than three hundred fifty of Frost's poems, each one with annotations providing complete bibliographic information and noting any textual changes

Christian Minimalism

Simple Steps for Abundant Living *Church Publishing, Inc.*

Focus on what matters most—and intentionally remove the rest. Logically, we all know our purpose in life is not wrapped up in accumulating possessions, wealth, power, and prestige—Jesus is very clear about that—but society tells us otherwise. Christian Minimalism attempts to cut through our assumptions and society's lies about what life should look like and invites readers into a life that Jesus calls us to live: one lived intentionally, free of physical, spiritual, and emotional clutter. Written by a woman who simplified her own life and practices these principles daily, this book gives readers a fresh perspective on how to live out God's grace for us in new and exciting ways and live out our faith in a way that is deeply satisfying.

Paradise Redefined

Transnational Chinese Students and the Quest for Flexible Citizenship in the Developed World *Stanford University Press*

This book picks up where author Vanessa Fong left off in *Only*

Hope: Coming of Age under China's One-Child Policy (Stanford, 2004), and continues by telling the stories of the Chinese youth who left China in their teens and 20s to study in Australia, Europe, Japan, New Zealand, North America, or Singapore. Fong examines the expectations and experiences of Chinese students who go abroad in search of opportunity, and the factors that cause some to return to China and others to stay abroad.

A World Waiting to Be Born

Civility Rediscovered *Bantam*

Just as *The Road Less Traveled* provided hope and guidance for individuals seeking growth, this major new work by M. Scott Peck, M.D., offers a needed prescription for our deeply ailing society. Our illness is Incivility--morally destructive patterns of self-absorption, callousness, manipulateness, and materialism so ingrained in our routine behavior that we do not even recognize them. There is a deepening awareness that something is seriously wrong with our personal and organizational lives. Using examples from his own life, case histories, and dramatic scenarios of businesses that made a conscious decision to bring civility to their organizations, Dr. Peck demonstrates how change can be effected and how we and our organizations can be restored to health. This wise, practical, and radical book is a blueprint for achieving personal and societal well-being.

A Road Less Traveled

War, Education and Civil Rights

If you're looking for a great source of encouragement, read this book. If you have lost hope because you don't think you can start over or overcome the cards you were dealt, read this book! In *A Road Less Traveled*, War, Education and Civil Rights, Dr. Robert Kimball shares his invaluable life story about moving beyond negative circumstances to build a better life. His story is relevant to the lives of many who are born into societal ills. Based on his circumstances, Dr. Kimball had every legitimate reason to grow up bitter and disillusioned. But instead, he used his bleak and dark beginning as a catalyst to want more and develop a blueprint for others to follow. In his moving memoir, Dr. Kimball paints a vivid image of how we must all work together to stand against injustice, the cycle of poverty, illiteracy, parental and family dysfunction, institutionalized racism, and corruption for not just ourselves, but for everyone. Dr. Kimball intertwines his personal and professional life experiences as a veteran and educator to motivate others to build a better self and society for all. Not only did Dr. Kimball share the raw truth about poverty, illiteracy, parental and family dysfunction, institutionalized racism, and corruption, he challenged us all to do our part to eradicate them! Robert Kimball is one of 12 children raised in New Hampshire in unimaginable poverty. He quit school after the ninth grade and left home at 16. He joined the Army at 17, completed a 27-year military career during which he rose to the rank of Lieutenant Colonel, and earned several college degrees including a doctorate in educational leadership from the University of Houston. As the whistleblower who revealed the fraud and falsehoods behind the "Texas Miracle," he has been featured on CBS 60 Minutes II and NOW on PBS and is the subject

of articles in the New York Times, the Washington Post, and several prestigious education publications. He has been a witness to historic events since 1950 and

When You Reach Me

(Newbery Medal Winner) *Wendy Lamb Books*

"Like *A Wrinkle in Time* (Miranda's favorite book), *When You Reach Me* far surpasses the usual whodunit or sci-fi adventure to become an incandescent exploration of 'life, death, and the beauty of it all.'" —The Washington Post This Newbery Medal winner that has been called "smart and mesmerizing," (The New York Times) and "superb" (The Wall Street Journal) will appeal to readers of all types, especially those who are looking for a thought-provoking mystery with a mind-blowing twist. Shortly after a fall-out with her best friend, sixth grader Miranda starts receiving mysterious notes, and she doesn't know what to do. The notes tell her that she must write a letter—a true story, and that she can't share her mission with anyone. It would be easy to ignore the strange messages, except that whoever is leaving them has an uncanny ability to predict the future. If that is the case, then Miranda has a big problem—because the notes tell her that someone is going to die, and she might be too late to stop it. Winner of the Boston Globe-Horn Book Award for Fiction A New York Times Bestseller and Notable Book Five Starred Reviews A Junior Library Guild Selection "Absorbing." —People "Readers ... are likely to find themselves chewing over the details of this superb and intricate tale long afterward." —The Wall Street Journal "Lovely and almost impossibly clever." —The Philadelphia

Inquirer "It's easy to imagine readers studying Miranda's story as many times as she's read L'Engle's, and spending hours pondering the provocative questions it raises." —Publishers Weekly, Starred review

Presenting 1,000 fresh and fascinating alternatives to hundreds of well-known tourist destinations and sights. Forward by Bill Bryson.

White River Red *TouchPoint Press*

Inspired by a true story, *White River Red: A Novel* vividly portrays

the tumults and triumphs of a rough, generous soul who touched countless lives with her kindness and courage. In 1906, fifteen-year-old Forrestina Bradley runs away from her stifling life of ease and joins the circus as a tightrope walker. After a tragedy forces her to leave the circus, she embarks on a life of nomadic adventure, running a carnival rat-game and becoming involved in an illegal dance hall and moonshine business near the banks of the White River in Arkansas during Prohibition. Along the way, she meets and loves three men—Max, Jack, and George—who each break her heart in vastly different ways. It's a good thing that Forrestina is tough enough to survive the men in her life. Tough enough to become a legend. In 1972, Betty, a young reporter desperate to break into the boys' club of journalism, offers to interview the now-elderly Forrestina. What she discovers in Forrestina's story is a lesson of strength, resilience, friendship, and faith. She learns that though defying normal is often painful, for some brave souls it's the only way to truly live.

Slaughterhouse-Five

A Novel *Dial Press Trade Paperback*

A special fiftieth anniversary edition of Kurt Vonnegut's masterpiece, "a desperate, painfully honest attempt to confront the monstrous crimes of the twentieth century" (Time), featuring a new introduction by Kevin Powers, author of the National Book Award finalist *The Yellow Birds*. Selected by the Modern Library as one of the 100 best novels of all time *Slaughterhouse-Five*, an American classic, is one of the world's great antiwar books. Centering on the infamous World War II firebombing of Dresden,

the novel is the result of what Kurt Vonnegut described as a twenty-three-year struggle to write a book about what he had witnessed as an American prisoner of war. It combines historical fiction, science fiction, autobiography, and satire in an account of the life of Billy Pilgrim, a barber's son turned draftee turned optometrist turned alien abductee. As Vonnegut had, Billy experiences the destruction of Dresden as a POW. Unlike Vonnegut, he experiences time travel, or coming "unstuck in time." An instant bestseller, *Slaughterhouse-Five* made Kurt Vonnegut a cult hero in American literature, a reputation that only strengthened over time, despite his being banned and censored by some libraries and schools for content and language. But it was precisely those elements of Vonnegut's writing—the political edginess, the genre-bending inventiveness, the frank violence, the transgressive wit—that have inspired generations of readers not just to look differently at the world around them but to find the confidence to say something about it. Authors as wide-ranging as Norman Mailer, John Irving, Michael Crichton, Tim O'Brien, Margaret Atwood, Elizabeth Strout, David Sedaris, Jennifer Egan, and J. K. Rowling have all found inspiration in Vonnegut's words. Jonathan Safran Foer has described Vonnegut as "the kind of writer who made people—young people especially—want to write." George Saunders has declared Vonnegut to be "the great, urgent, passionate American writer of our century, who offers us . . . a model of the kind of compassionate thinking that might yet save us from ourselves." Fifty years after its initial publication at the height of the Vietnam War, Vonnegut's portrayal of political disillusionment, PTSD, and postwar anxiety feels as relevant, darkly humorous, and

profoundly affecting as ever, an enduring beacon through our own era's uncertainties. "Poignant and hilarious, threaded with compassion and, behind everything, the cataract of a thundering moral statement."—The Boston Globe

Glimpses of the Devil

A Psychiatrist's Personal Accounts of Possession, Exorcism, and Redemption *Simon and Schuster*

The legendary bestselling author and renowned psychiatrist M. Scott Peck, whose books have sold over 14 million copies, reveals the amazing true story of his work as an exorcist -- kept secret for more than twenty-five years -- in two profoundly human stories of satanic possession. In the tradition of his million-copy bestseller *People of the Lie: The Hope for Healing Human Evil*, Scott Peck's new book offers the first complete account of exorcism and possession by a modern psychiatrist in this extraordinary personal narrative of his efforts to heal patients suffering from demonic and satanic possession. For the first time, Dr. Peck discusses his experience in conducting exorcisms, sharing the spellbinding details of his two major cases: one a moving testament to his healing abilities, and the other a perilous and ultimately unsuccessful struggle against darkness and evil. Twenty-seven-year-old Jersey was of average intelligence; a caring and devoted wife and mother to her husband and two young daughters, she had no history of mental illness. Beccah, in her mid-forties and with a superior intellect, had suffered from profound depression throughout her life, choosing to remain in an abusive relationship with her husband, one dominated by distrust

and greed. Until the day Dr. Peck first met the young woman called Jersey, he did not believe in the devil. In fact, as a mature, highly experienced psychiatrist, he expected that this case would resolve his ongoing effort to prove to himself, as scientifically as possible, that there were absolutely no grounds for such beliefs. Yet what he discovered could not be explained away simply as madness or by any standard clinical diagnosis. Through a series of unanticipated events, Dr. Peck found himself thrust into the role of exorcist, and his desire to treat and help Jersey led him down a path of blurred boundaries between science and religion. Once there, he came face-to-face with deeply entrenched evil and ultimately witnessed the overwhelming healing power of love. In *Glimpses of the Devil*, Dr. Peck's celebrated gift for integrating psychiatry and religion is demonstrated yet again as he recounts his journey from skepticism to eventual acknowledgment of the reality of an evil spirit, even at the risk of being shunned by the medical establishment. In the process, he also finds himself compelled to confront the larger paradox of free will, of a commitment to goodness versus enslavement to the forms of evil, and the monumental clash of forces that endangers both sanity and the soul. *Glimpses of the Devil* is unquestionably among Scott Peck's most powerful, scrupulously written, and important books in many years. At once deeply sensitive and intensely chilling, it takes a clear-eyed look at one of the most mysterious and misunderstood areas of human experience.

The Different Drum

Community Making and Peace *Simon and Schuster*

'The overall purpose of human communication is - or should be - reconciliation. It should ultimately serve to lower or remove the walls of misunderstanding which unduly separate us human beings, one from another...' Although we have developed the technology to make communication more efficient and to bring people closer together, we have failed to use it to build a true global community. Dr M. Scott Peck believes that if we are to prevent civilization destroying itself, we must urgently rebuild on all levels, local, national and international and that is the first step to spiritual survival. In this radical and challenging book, he describes how the communities work, how group action can be developed on the principles of tolerance and love, and how we can start to transform world society into a true community.

Russia in the Indo-Pacific

New Approaches to Russian Foreign Policy *Routledge*

This volume zones in on Russia's relations with the Indo-Pacific region through the lens of theoretical pluralism, presenting alternatives to the mainstream Realist view of Russia as a major power using geopolitical strategies to establish itself. Russia in the Indo-Pacific is an understudied topic that needs a fresh perspective. Contributors to this volume are based across Russia, China, Japan, Malaysia, Vietnam, and the USA, drawing on a range of multinational perspectives and theoretical approaches encompassing realism and liberalism, constructivism and the English school of international relations. Reflecting a trend of internationalization in the Russian study of IR, such theoretical

pluralism could facilitate Russian contributions to emerging global IR theory. Russia in the Indo-Pacific contributes towards a more intelligible common discourse in the Indo-Pacific, of interest to students and scholars of Sino-Russian relations, Indo-Pacific international relations, and international relations theory. It will also be of interest to policymakers and general readers following foreign policy and economic trends in the Indo-Pacific who want to better understand Russia's role.

The Keys to Success on the Road Less Traveled,

In "The Keys to Success on the Road Less Traveled," the authors

illustrate the different shades and colors of the word 'success.' The book examines the subtle insight that we glean from reflecting on the experiences of life, and embracing the nuances of meaning that life presents to us.

Battle For The Mind *Prabhat Prakashan*

We have still much to learn as to the laws according to which the mind and body act on one another, and according to which one mind acts on another; but it is certain that a great part of this mutual action can be reduced to general laws, and that the more we know of such laws the greater our power to benefit others will be.
