American Photography And The American

The Americans is a photographic book by Robert Frank which was highly influential in post-war American photography. It was first published in France in 1958, and the following year in the United States. The photographs were notable for their distanced view of both high and low strata of American society. The book as a whole created a complicated

portrait of the period that was viewed as skeptical of contemporary values and evocative of ubiquitous loneliness. "Frank set out with his Guggenheim Gr
