Test-Taking Skills, Grade 4: Frank Schaffer Publications ...

For 4th through 6th graders, the CCSS requirements for reading skills ratcheted up with the intent to require students to develop their skills in terms of identifying key ideas, details, craft, structure, and test their threshold for integration of knowledge and ideas. For example, a 4th grader must learn to refer to specific details when summarizing a reading (whether orally or in written form) as well as explain their understanding of characters, settings, or events. 5th graders should ...

5. Teach test-taking skills. It's best for your child to read the test all the way through, answer the questions she knows well first, and return to the questions she's unsure of later. The goal is to not only reinforce knowledge and understanding, but to build your child's confidence and help lay the groundwork for a lifetime of good study skills.
