### Stephen Hawking's Favorite Places | Stephen Hawking's ...

In light of these clarifications, let us look again at the central preoccupation of The Theory of Everything, namely, Hawking’s quest to find the one great unifying equation that would explain all of reality. It is always fascinating to go to roots of an argument, that is to say, to the fundamental assumptions that drive a rational quest, for in so doing, we necessarily leave the realm of the purely rational and enter something like the realm of the mystical.
