Photovoice is a qualitative, community-based, participatory action research method and Jarldorn illustrates its value with examples from her own research. At the heart of the discussion of this progressive method, Jarldorn places her deep commitment to the creative and transformative potential of Photovoice to actively involve participants in knowledge production."

Photovoice Handbook for Social Workers : Michele Jarldorn ...

Photovoice, a qualitative research method, uses a feminist framework and typically produces rich thick accounts of lives and experiences that cannot be adequately captured by quantitative research. Both qualitative and quantitative methods of research data collection each have merits, but qualitative approaches tend to engage the researcher, participant and later the reader on a more personal level.
