Jim Wallis has blended religion and politics without fighting. Using an explosive combination of news analysis, statistics, first person accounts, and some old-fashioned "God talk", Wallis creates a new image of religion and its place in politics that is starkly different from that of George Bush and his "religious right" affiliates.

God's Politics en Apple Books

God's Politics: Why the Right Gets It Wrong and the Left Doesn't Get It is a 2005 book by author Jim Wallis. The book focuses on the role of religious hypocrisy in politics, and critiques both the so-called "religious right" and the "secular left" while noting that the vast majority on the "left" have families who embrace both family values and religion.
