Peter Brook

A Biography *St. Martin's Press*

Peter Brook is one of the world's legendary theater directors. His productions are a byword for imagination, energy, and innovation. From his ground-breaking production of *Marat/Sade*, to his "white box" *A Midsummer Night's Dream*, to his monumental staging of *The Mahabharata* and beyond, Brook has always been the pioneer of what a director and a company of actors can conjure out of an empty stage. In this first authoritative biography, arising out of an association and friendship with

Brook over forty years, Michael Kustow tells the fascinating and revealing story of a man whose life has been a never-ending quest. Born into a Russian émigré family in London, Brook has been fascinated by theater and film since childhood. He studied at Oxford, where he made a film of Laurence Sterne's *A Sentimental Journey* and was almost sent down during his turbulent undergraduate years. As a brilliant young man influenced by the theatrical visionary Gordon Craig, he turned his hand to Shakespeare, opera, new French drama, and mainstream comedy. Following Craig's philosophy, Brook began to search for a simplicity, harmony, and beauty that would incorporate all aspects of the stage production under the control of one

person. He also began the lifelong search for authenticity on the stage, a search that led him around the world from London to New York, to his legendary Théâtre des Bouffes du Nord in Paris, to Broadway and the Brooklyn Academy of Music. It was in Paris, in the 1970s, that he attempted to discover a universal language of theater with an international group of actors. This collaboration resulted in a series of visually spectacular and innovative shows including *The Ik*, *The Conference of the Birds*, and *The Mahabharata*. In his long and influential career, he worked with some of the world's greatest actors and writers including Glenda Jackson, Paul Scofield, John Gielgud, Laurence Olivier, Irene Worth, Jeanne Moreau, Peter Weiss, and Truman Capote. His

films, such as *Lord of the Flies*, *Moderato Cantabile*, *King Lear* (with Paul Scofield), *The Beggar's Opera*, and the film of *Marat/Sade* moved the camera and the screen to borders they had not reached before. His book *The Empty Space* continues to be one of the classic works on theater and drama in the Western canon and his memoir, *Threads of Time*, gave us a glimpse into his personal development. In this biography, based on extensive interviews with Peter Brook and many of the actors, writers, producers, and directors he's worked with throughout his life, Michael Kustow goes to the heart of Brook's theater, his self-searching and his unceasing desire to produce work that redefines theater and life.

There Are No Secrets

Thoughts on Acting and Theatre

Bloomsbury Publishing

Peter Brook is the most consistently innovative director in Western theatre. In these three essays he returns to the concept of his first book *The Empty Space* and examines what that means for the life of a production. How can a company establish its own "empty space" - a rehearsal and performance environment which will encourage the actors to abandon the security of the hackneyed and release their true creativity? The potency of Brook's writing lies in his ability invest general truths with fresh vigour and to be as simple as he is profound.

The Penguin Henry Lawson Short Stories *Penguin Group Australia*

One of the great observers of Australian life, Henry Lawson looms large in our

national psyche. Yet at his best Lawson transcends the very bush, the very outback, the very up-country, the very pub or selector's hut he conveys with such brevity and acuity: he makes specific places universal. Henry Lawson is too often regarded as a legend rather than a writer to be enjoyed. In this selection Lawson is revealed as an author whose delightful, humorous, wry and moving short stories continue to delight generations of readers. This is the essential Lawson collection - the classic of Australian classics. 'Lawson's sketches are beyond praise.' Joseph Conrad 'Lawson gets more feelings, observation and atmosphere into a page than does Hemingway.' Edward Garnett

Not Nothingness

Peter Brook's "empty Space" and Its Architecture

"The thesis explores architectural potential and experience in the theatre of Peter Brook (1925-). The importance of his thought, writings and theatrical creation in the twentieth and twenty-first centuries reaches far beyond the question of theatre. It prepares a ground for exploring the ethical and poetic dimensions of architecture. Refusing to reduce the role of theatre to making 'pictures,' Brook's theatre strives to offer us ephemeral experience in space and to engage us with the power of individual and communal imagination. What is explored and can be learned from Brook's theatre cannot be considered as a 'practical prescription' or methodology, but rather as a call to an incessant

quest. It offers an entry to rethinking the role of architecture not as a finished design, but as a phenomenon that emerges through an 'event' and engages its inhabitants and their being in the world. The dissertation, seen through the lens of an architect, embarks on a journey into Brook's theatre in which it unravels crucial concepts from his discourse and theatrical experiments offering insights of great value to architects and architectural creation alike. The idea of "empty space," the relationship between visible and invisible, and the notion of 'Immediate Theatre' resonate throughout the investigation. Along the way, I study three theatrical plays: Orghast at the tombs of the Persian kings at Persepolis and Naqsh-e-Rustam (Iran, 1971); The

Mahabharata at the Callet Quarry in Boulbon (France, 1985); and Eleven and Twelve at the theatre of Bouffes du Nord (Paris, 2009). The investigation reveals the unusual approach toward places of performance, the exploratory process of creation, and the audience's involvement in space/time. In the view of this thesis, Brook's theatrical creation invokes an architecture that temporalizes space and recognizes the 'present moment,' immersing its participants in a wholeness of narrative, play and place." --

Peter Brook: Threads Of Time

A Memoir *Bloomsbury Publishing*

The theatre's greatest contemporary director tells the story of his life. Peter Brook is the modern stage's greatest inventor. For over fifty years he has held audiences spellbound with his critically acclaimed productions. Now he has finally written an account of his life. Born in 1925 in London, at twenty-one Brook became the enfant terrible of British theatre directing major post-war productions of Shakespeare at Stratford-upon-Avon, opera at Covent Garden and new plays in London's West End. He even made films. In 1964 he produced Peter Weiss's *Marat/Sade* for the RSC and his whole approach to theatre became radicalised. Throughout the

1970s and 1980s Brook began exploring the roots of non-Western theatre which once again changed his view of what theatre could be for actors and audiences. His journey took him to Paris where he founded a company at the Bouffes du Nord theatre where he still works today. Brook's biography charts all the stages of his aesthetic and spiritual journey, and touches on all parts of a career that has been widely reported but never previously talked about from his personal perspective. "First there was the master conjurer adept at musicals, farces, opera and Shakespeare. Then there was the philosopher-king. . . who has devoted his energies to a quest for a theatre that was simple in form and rich in meaning" (Michael Billington)

The Art of Resonance *Bloomsbury Publishing*

What is artistic resonance and how can it be linked to one's life and one's art? This latest book of essays from legendary theatre director Anne Bogart, considers

the creation of resonance in the artistic endeavour, with a focus on the performing arts. The word 'resonance' comes from the Latin meaning to 're-sound' or 'sound together'. From music to physics, resonance is a common thread that evokes a response and, in general, is understood as a quality that makes something personally meaningful and valuable. For Bogart, curiosity is a key personal quality to be nurtured throughout life and that very same curiosity, as an artist, thinker and human being. Creating pathways between performance theory, art history, neuroscience, music, architecture and the visual arts, and consistently forging new thought-paths, the writing draws upon Anne Bogart's own life and artistic journeys to illuminate potent

philosophical ideas. Woven with personal anecdotes, stories and reflections, this is a book that will be of interest to any theatre artist and anyone who reflects on the power of the arts, of theatre-making and what it means to be engaged in the artistic process.

With the bravura and insight of a great practitioner and explorer he reveals some of the inspiration behind his extraordinary career. "The great thing about Brook is that, in a medium where others provide answers, he keeps asking questions. This sage and stimulating book shows that, inside a sophisticated adult mind, lurks the intemperate curiosity of a child; which is the mark of genius." (Michael Billington, *Listener*)

Playing by Ear

Reflections on Sound and Music

Theatre Communications Group

A new book from one of the world's most renowned theatre directors that explores the role of music in the theatre.

Shakespeare, Our Contemporary

Doubleday

Shakespeare, Our Contemporary is a provocative, original study of the major plays of Shakespeare. More than that, it is one of the few critical works to have strongly influenced theatrical productions. Peter Brook and Charles Marowitz are among the many directors who have acknowledged their debt to Jan Kott, finding in his analogies between Shakespearean situations and those in modern life and drama the seeds of vital new stage conceptions. Shakespeare,

Our Contemporary has been translated into nineteen languages since it appeared in 1961, and readers all over the world have similarly found their responses to Shakespeare broadened and enriched.

The Open Circle

Peter Brook's Theatre Environment

Palgrave MacMillan

What quality of space can foster the 'rising to another level' which is the ultimate aim of theatre? How can one overcome the obstacles -- cultural, spatial, material, technical -- which impede the sharing of experience which is the unique prerogative of performance? Peter Brook has consciously engaged these questions

since turning his back on conventional theatre buildings in the late 1960s. This book tells the story of the journey of

exploration into the fundamental character of theatre space he has undertaken with his collaborators over the last thirty years.
