Art historians describe the history of
Western art in terms of successive
periods and/or movements, including
classical, medieval, Byzantine,
Romanesque, Renaissance, baroque,
rococo, neoclassicism, Romanticism,
realism, Impressionism, modernism and
postmodernism. Definitions of these
periods are often debated, as it is
impossible to pinpoint where they begin
and end, or to account for the wide array
of art produced within them.

The history of art in the Americas begins

in pre-Columbian times with Indigenous cultures. Art historians have focused particularly closely on Mesoamerica during this early era, because a series of stratified cultures arose there that erected grand architecture and produced objects of fine workmanship that are comparable to the arts of Western Europe.

The History of Western Art is a broad view of art history by Renaissance man Peter Whitfield, who covers the subject from ancient times to the modern dilemma of defining what art is. An intriguing connection between past ideals & beliefs, and our current estrangement from the natural world is discussed, as modern deconstruction has led us into a box canyon of perpetual revolution without agreed upon parameters.
