making news women in journalism

"Tusan's Women Making News: Gender and Journalism in Modern Britain offers a richly researched analysis that advances women's journalism history beyond fragmentary accounts of individual experience to place the women's advocacy press a center of the cultural

and political emergence of the British woman citizen between 1856 and 1930. . . . The book is the most intellectually ambitious and creative book on women's journalism history that I can remember in the past decade."--
