The Globalization Paradox:

Democracy and the Future of the ...

Rodrick presents the globalization paradox, or trilemma, that we cannot simultaneously pursue democratic politics, self-determined states, and economic hyper-globalization. Therefore, he calls for a "smart," rather than a "maximum," globalization, where a thin layer of international rules leaves substantial room for maneuver by national governments.

The Globalization Paradox: Democracy and the Future of the World Economy. Surveying three centuries of economic history, a Harvard professor argues for a leaner global system that puts national democracies front and center. From the mercantile monopolies of seventeenth-century empires to the modern-day authority of the WTO, IMF, and World Bank, the nations of the world have struggled to effectively harness globalization's promise.
