Governess | Beyond The Barred Window

The position of governess used to be common in well-off European families before the First World War, especially in the countryside where no suitable school existed nearby. Parents' preference to educate their children at home—rather than send them away to boarding school for months at a time—varied across time and countries. Governesses were usually in charge of girls and younger boys. When a boy was old enough, he left his governess for a tutor or a school. Governesses are rarer now ...

Governess - Wikipedia

Stoltz Sinatra in his brief essay The Markham Project - Fact or Fiction?, explains the project was allegedly named after a professional Victorian governess and educationalist called Elizabeth Markham. Between the 1880s and the early part of the 20th century she aimed to encourage best practice in the training of governesses and the education of young women by creating a network of like-minded governesses and others who who were trying to set-up

some sort of academy to further their aims.
