Music Matters A New Philosophy

Music Matters ,develops new answers to
 these questions through a wide-ranging

examination of Music as a diverse
 human practice. The result is a ground-
 breaking philosophy of music education
 that provides critically reasoned
 perspectives on the nature and
 significance of performing, listening,
 musicianship, multiculturalism,
 creativity, consciousness, curriculum
 development and more.

Very briefly, the praxial philosophy offers an explanation of the nature and values of music. Based on this foundation, I go

on to explain the nature and values of music education. I suggest that “multidimensional” captures the essence of this philosophy. In *Music Matters* I argue for a multidimensional concept of music and musical works, a multidimensional concept of musical understanding, a multidimensional concept of music’s values in human life and a multiple approach to achieving ...
