Architecture And Participation

Bringing together leading international practitioners and theorists in the field, ranging from the 1960s pioneers of participation to some of the major contemporary figures in the field, Architecture and Participation opens up the social and political aspects of our built environment, and the way that the eventual users may shape it. Divided into three sections, looking at the politics, histories and practices of participation, the book gives both a broad theoretical background and more ...

Architecture and Participation. Peter Blundell Jones, Doina Petrescu, Jeremy Till. Taylor & Francis, 2005 - Architecture - 282 pages. 2 Reviews. Bringing together leading international practitioners and theorists in the field, ranging from the 1960s pioneers of participation to some of the major contemporary figures in the field, Architecture and Participation opens up the social and political aspects of our built environment, and the way that the eventual users may shape it.

Architecture and Participation - Google Books

Adopting a participative approach to architecture, this book challenges many of the normative values of traditional architecture and in particular issues of authorship, control, aesthetics and the role of the user. It questions whether a participative approach may lead to different spatial conditions and types of architectural practices.

Architecture And Participation - Luxury Modern Design

If we define the context as participation in architecture and planning, this is one of the basic problems. The manipulations of power holders could be avoided to a certain extent, but the real problem is the commercialization of participants' expectations. This especially becomes obvious in housing.

Participatory Architecture: Opportunities and Traps — XXI

...

Self-build can act both as a form of participation as well as a pedagogical technique, for example in the project Bauhäusle, architecture students as part of their course designed and built their accommodation using the Segal construction method, and more recently the Community Self Build Agency facilitates such projects in the UK by providing training for people to build their own homes.

Spatial Agency: Participation

How Community Participation can Assist in Architectural and Urban Post-Disaster Reconstruction May 25, 2020 The concepts of autonomy, collaboration, and participation have gained relevance in...
