UNITED STATES HISTORY AND GOVERNMENT

The US government's cozy relationship with the oilfield services

company Halliburton has frequently roused suspicion. Things looked even worse in 2003 when Bunny Greenhouse, the chief contracting officer at the US Army Corp of Engineers, came forward saying the government showed favoritism to Halliburton and granted them a contract to rebuild the oilfield facilities in Iraq.

10 People Who Exposed US Government Secrets And Lies ...

The most important challenge to 'traditional' political history came with the 'democratisation' of society, that is, the extension of the franchise to all adults and the creation of the welfare state. This promoted the belief

that government should reflect the interests of the people, rather than those of the ruling elite or the state itself.

U.S. History and Government: Readings and Documents
History. The United Kingdom is a

constitutional monarchy in which the reigning monarch (that is, the king or queen who is the head of state at any given time) does not make any open political decisions. All political decisions are taken by the government and Parliament. This constitutional state of affairs is the result of a long history of constraining and reducing the political power of the ...
