African definition and meaning | Collins English Dictionary

Massa is in fact the correct Bainouk and Cassanga ethnic group pronunciation of mansa, the famous word used so widely among the adjacent and dominant Mande peoples in northern and coastal west Africa to denote king or boss. In this new framework, the changes wrought by Mandinka, the Mande more broadly, and African culture generally on the South, are every bit as significant as the linguistic infusions of the Norman Conquest into what became English.

African | Definition of African at Dictionary.com

English has been spoken in South Africa for over 200 years, at least since the British military seized the Cape of Good Hope settlement from the Dutch in 1795 to keep the Cape out of the hands of revolutionary France, then a Dutch ally. Since then South Africa's everyday English has gradually absorbed many words from African languages.
