Eternity in Their Hearts *Bethany House Publishers*

Has the God who prepared the gospel for all people groups also prepared all people groups for the gospel? Don Richardson, author of the bestselling book *Peace Child*, has studied cultures throughout the world and found startling evidence of belief in the one true God within hundreds of them. In *Eternity in Their Hearts*, Richardson gives fascinating, real-life examples of ways people groups have exhibited terms and concepts in their histories that have prepared them for the gospel. Read how Pachacuti, the Inca king who founded Machu Picchu, the majestic fortress in Peru, accomplished something far more significant than merely building fortresses, temples, or monuments. He

sought, reached out, and found a God far greater than any popular "god" of his own culture. And there have been others throughout the world, like him, who lived to receive the blessing of the gospel. Get ready to be amazed at these intriguing examples of how God uses redemptive analogies to bring all men to Himself, bearing out the truth from Ecclesiastes that God "has also set eternity in the hearts of men" (3:11).

Peace Child *Baker Books*

From Cannibals to Christ-Followers--A True Story In 1962, Don and Carol Richardson risked their lives to share the gospel with the Sawi people of New Guinea. *Peace Child* tells their unforgettable story of living among these headhunters and cannibals, who valued treachery through fattening victims with friendship before the slaughter. God gave Don and Carol the key to the Sawi hearts via a redemptive analogy from their own mythology. The "peace child" became the secret to unlocking a value system that had existed through generations. This analogy became a stepping-stone by which the gospel came into the Sawi culture and started both a spiritual and a social revolution from within. With an epilogue updating how the gospel has impacted the Sawi people, this missionary classic will inspire a new generation of readers who need to hear this remarkable story and the lessons it teaches us about communicating Christ in a meaningful way to those around us.

Where I Am

Heaven, Eternity, and Our Life Beyond *Thomas Nelson*

The Final Chapter From Billy Graham While his earthly vision dims, the glory of heaven is illuminated as Billy Graham, the beloved evangelist, shares from his past, and his present, the reality of eternity. Although Billy Graham may no longer preach from the stadiums of the world, in this book you will sense his heart still beats strong with the resounding assurance that he will spend eternity with Jesus Christ, the Savior of the world. In *Where I Am*, Mr. Graham invites and strongly encourages all of us to contemplate our eternal hope. When

asked, "Where is Heaven?" Mr. Graham has wisely replied, "Heaven is where Jesus Christ is, and I'm going to Him soon." The greatest promise ever given to the human race came from the lips of our Redeemer when Jesus said, "Let not your heart be troubled; you believe in God, believe also in Me...I go to prepare a place for you...I will come again and receive you to Myself; that where I am, there you may be also" (John 14:1-3). Just after his ninety-fifth birthday, Mr. Graham proclaimed with resolve, "When I die, tell others that I've gone to my Lord and Savior Jesus Christ—that's where I am." Flap Copy: As our nation and world travail in the midst of political, economic, and cultural uncertainties, we can find comfort in the hope that comes from the unchanging truth of God's Word. Whether talking with a US president, a world leader, or the common man or being interviewed on network television, Billy Graham has always begun his answers with "The Bible says..." In *Where I Am*, Mr. Graham shares what the Bible has to say about eternity from all of its sixty-six books; messages of truth, warning, love, and the certainty of the future, all gleaned by a man who would like to be remembered solely as a preacher of the Gospel of Jesus Christ. Each short chapter examines the reality that each of us chooses where to spend life after death: Heaven or Hell. From the Old Testament writer who composed "Show me Your ways, O Lord" (Psalm 25:4) to the New Testament writer who penned the words of Jesus, "Whoever believes in [Me] should not perish" (John 3:16), there is hope for anyone who puts his or her faith and trust in the One who gives us the promise, "Where I am, there you may be also" (14:3).

Heaven Wins

Heaven, Hell and the Hope of Every Person *Gospel Light Publications*

Who Will Be Saved? Who Will Be Lost? The past few years have seen the release of several high-profile books, including *Love Wins* (Rob Bell) and *God Wins* (Mark Galli), that attempt to clarify what the Bible teaches about the ultimate destiny of individuals after this life. Don Richardson believes the arguments posed by these authors do not account for all the biblical evidence. In *Heaven Wins*, the best-selling author of *Peace Child* and *Eternity in Their Hearts* offers a faith-enhancing, scripturally grounded perspective that changes everything. Are a majority of

people destined for hell, as many Christians assume, or will heaven harvest the greater part of mankind? Could it be that the good news is even better and more expansive than we have dared to hope? The answer may surprise you.

Teachings of Presidents of the Church: Brigham Young

The Church of Jesus Christ of Latter-day Saints

The prophet Brigham Young taught the restored gospel of Jesus Christ in a basic, practical way that gave inspiration and hope to the Saints struggling to build a home in the wilderness. Though more than a century has now passed, his words are still fresh and appropriate for us today as we continue the work of building the kingdom of God. President Young declared that as members of The Church of Jesus Christ of Latter-day Saints we possess the "doctrine of life and salvation for all the honest-in-heart" (DBY, 7). He promised that those who receive the gospel in their hearts will have awakened "within them a desire to know and understand the things of God more than they ever did before in their

lives” and will begin to “inquire, read and search and when they go to their Father in the name of Jesus he will not leave them without a witness” (DBY, 450). This book reflects the desire of the First Presidency and the Quorum of the Twelve Apostles to deepen the doctrinal understanding of Church members and to awaken within them a greater desire to know the things of God. It will inspire and motivate individuals, priesthood quorums, and Relief Society classes to inquire, read, search, and then go to their Father in Heaven for a witness of the truth of these teachings. Each chapter contains two sections—“Teachings of Brigham Young” and “Suggestions for Study.” The first section consists of extracts from Brigham Young’s sermons to the early Saints. Each statement has been referenced, and the original spelling and punctuation have been preserved; however, the sources cited will not be readily available to most members. These original sources are not necessary to have in order to effectively study or teach from this book. Members need not purchase additional references and commentaries to study or teach these chapters. The text provided in this book, accompanied by the scriptures, is sufficient for instruction. Members should prayerfully read and study President Young’s teachings in order to gain new insights into gospel principles and discover how those principles apply to their everyday lives. By faithfully and prayerfully studying these selections, Latter-day Saints will have a greater understanding of gospel principles and will more fully appreciate the profound and inspired teachings of this great prophet. The second section of each chapter offers a series of questions that will encourage thoughtful contemplation,

personal application, and discussion of President Young’s teachings. Members should refer to and carefully reread his words on the principle being discussed. Deep and prayerful study of these teachings will inspire members to greater personal commitment and will help them resolve to follow the teachings of the Savior, Jesus Christ. If individuals and families prayerfully follow the principles in this book, they will be blessed and inspired to greater dedication and spirituality, as were the early Saints who heard these words directly from the lips of the “Lion of the Lord” (HC, 7:434)—the prophet, seer, and revelator, President Brigham Young.

Eternity

Reclaiming a Passion for What Endures *Discovery House Pub*

Dr. Stowell shares a startling insight about how Christians view the world in which they live--and how that perspective molds the kind of life they lead. He suggests Christians should live in a three-dimensional realm, and they must keep a balance between the world, inner spirituality, and heaven.

The Joy of the Gospel

Evangelii Gaudium *Image*

The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. “The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church’s journey in years to come.” – Pope

Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*

Eternity Is Now in Session

A Radical Rediscovery of What Jesus Really Taught about Salvation, Eternity, and Getting to the Good Place *NavPress*

Something in us is waiting—for what, we don't know. Something different? Something better? For Christians, perhaps the deepest expression of what we're waiting for is found in the phrase "eternal life." But what is eternal life? Why do we want it? And how do we know if we have it? In *Eternity Is Now in Session*, bestselling author John Ortberg dispels the myth that eternal life is something way out in outer space that

we can only hope to experience after we die—and that being saved is merely about meeting the minimal entrance requirements for getting into heaven. Instead, John unpacks the reality that the moment we trust Christ, we are initiated into "eternal living" with God as a here and now reality, one that will continue beyond our life on this earth. Jesus defined eternal life just once, in John 17:3: ". . . that they may know you, the only true God, and Jesus Christ whom you have sent." The kind of "knowing God" that is eternal life is an interactive relationship, not just an affirmation of certain facts about God. Once we begin the transformative journey of truly knowing God, we can start to experience His presence, favor, and resurrection power right here on this earth—in the details, tasks, and challenges of daily, ordinary life. And as we begin to know God this way, we'll realize each moment of our lives is a vehicle to the eternity we've been longing for all along.

Four Views on Hell *Zondervan Academic*

Most contemporary Christians acknowledge the doctrine of hell, but they'd rather not think about how God punishes the wicked. The authors of *Four Views on Hell* meet this subject head-on with different views on what the Scriptures say. Is hell to be understood literally as a place of eternal smoke and flames? Or are such images simply metaphors for a real but different form of punishment? Is there such a thing as "conditional immortality," in which God annihilates the souls of the wicked rather than punishing them endlessly? Is there a Purgatory, and if so, how does it fit into the picture? The interactive Counterpoints forum allows the reader to see the four views on hell—literal,

metaphorical, conditional, and purgatorial—in interaction with each other. Each view in turn is presented, critiqued, and defended. This evenhanded approach is ideal for comparing and contrasting views in order to form a personal conclusion about one of Christianity's key doctrines. The Counterpoints series provides a forum for comparison and critique of different views on issues important to Christians. Counterpoints books address two categories: Church Life and Bible and Theology. Complete your library with other books in the Counterpoints series.

The One Year Impact for Living Men's Devotional

Daily Coaching for a Life of Significance *Tyndale House Publishers, Inc.*

We've each been created for impact--a unique impact in this world. But too often we're distracted from the eternal significance of our actions by the more alluring paths of power, wealth, image, and status. This daily devotional will help men focus on their eternal legacies--what they can do each day by focusing on their God-given purpose, potential, passion, and platform. This is a perfect One Year gift for the man in your life.

Land of Strangers *John Wiley & Sons*

The impersonality of social relationships in the society of strangers is making majorities increasingly nostalgic for a time of closer personal ties and strong community moorings. The constitutive pluralism and hybridity of modern living in the West is being rejected in an age of heightened anxiety over the future and drummed up aversion towards the stranger. Minorities, migrants and dissidents are expected to stay away, or to conform and integrate, as they come

to be framed in an optic of the social as interpersonal or communitarian. Judging these developments as dangerous, this book offers a counter-argument by looking to relations that are not reducible to local or social ties in order to offer new suggestions for living in diversity and for forging a different politics of the stranger. The book explains the balance between positive and negative public feelings as the synthesis of habits of interaction in varied spaces of collective being, from the workplace and urban space, to intimate publics and tropes of imagined community. The book proposes a series of interventions that make for public being as both unconscious habit and cultivated craft of negotiating difference, radiating civilities of situated attachment and indifference towards the strangeness of others. It is in the labour of cultivating the commons in a variety of ways that Amin finds the elements for a new politics of diversity appropriate for our times, one that takes the stranger as there, unavoidable, an equal claimant on ground that is not pre-allocated.

Follow Me

A Call to Die. A Call to Live. *Tyndale House Publishers, Inc.*

2014 “Christian Retailing’s Best” award finalist! What did Jesus really mean when he said, “Follow Me”? In this new book, David Platt, author of the New York Times bestselling book, *Radical: Taking Back Your Faith from the American Dream*, contends that multitudes of people around the world culturally think they are Christians yet biblically are not followers of Christ. Scores of men, women, and children have been told that becoming a follower of Jesus simply involves believing certain truths or

saying certain words. As a result, churches today are filled with people who believe they are Christians . . . but aren’t. We want to be disciples as long as doing so does not intrude on our lifestyles, our preferences, our comforts, and even our religion. Revealing a biblical picture of what it means to truly be a Christian, *Follow Me* explores the gravity of what we must forsake in this world, as well as the indescribable joy and deep satisfaction to be found when we live for Christ. The call to follow Jesus is not simply an invitation to pray a prayer; it’s a summons to lose your life—and to find new life in him. This book will show you what such life actually looks like.

As It Is in Heaven

How Eternity Brings Focus to What Really Matters *Tyndale House*

Our lives here are so often cluttered with the “cares of this world” that we fail to consider heavenly priorities and how they should be reflected in our earthly ones. At the beginning of Jesus’ most famous prayer, He teaches us to pray that God’s will “be done on earth as it is in heaven”. What heaven is up to is critical for us to understand if we’re going to live biblically. Pastor Greg Laurie explains that heaven is anything but a long, boring church service. People in heaven know about the time and place of ongoing events on earth. They are rational and recall everything from their earthly days, but most importantly for us, they have a unique perspective from which we can learn a great deal. In this rich and relevant study, Greg sheds scriptural light on the sensational books and stories about people going to heaven and coming back, answers the nagging questions we are all dying to

ask, and guides us to focus—right now—on what really matters.

Secrets of the Koran *Baker Books*

Forget all those evening news sound bites or diplomatically correct half-truths about the Koran and the religion of Islam. If you want to know what the Koran is really about, you have to know what it really says. Don Richardson gives you a nitty-gritty inside look at the Koran, helping to separate fact from fiction. These hard-hitting observations are not the author's opinion based on what he thinks the Koran seems to imply. Muslim boys are indoctrinated in military camps. Madrasa schools force memorization and repetition of the Koran, particularly those verses that promise heavenly rewards for martyrdom. It took courage to write this serious, documented, and well-sourced book. But the price of truth is courage, regardless of one's religion.

Money, Possessions, and Eternity *Tyndale House Publishers, Inc.*

Who wants to settle for fleeting treasures on earth . . . when God offers everlasting treasures in heaven? Its time to rethink our perspectives on money and possessions. In this thoroughly researched classic, Randy Alcorn shows us how to view these things accurately as God's provision for our good, the good of others, and his glory. Alcorn presents a biblical and comprehensive view of money and possessions, including the following: Why is money so important to God? Is prosperity theology right or wrong? How can we be liberated from materialism? What should we do about debt? How much does God want us to give? How can we best help the poor and reach the lost? What about gambling? Investing? Insurance? Saving?

Retirement? Inheritance? How can we leave our children a true heritage? How can we use money in ways that God rewards? This practical and refreshing theology of money contains topical and Scripture indexes, a study guide, and five helpful appendices.

Living in the Light of Eternity

Your Life Can Make a Difference

Chosen Books Publishing Company

Yohannan, founder and president of Gospel for Asia, challenges Christians to realign their lives in the light of eternity. From his Asian perspective, the author observes differences between the lifestyle of millions of Westerners and how Christ called them to live. Yohannan asserts that each Christian can make a difference in a world of hatred, suffering, starvation and spiritual need.

Eternity in the Midst of Time *Ignatius Press*

Can time be our friend? At first glance the question seems ridiculous, because the apparent scarcity of time is a constant source of stress in our busy lives. There are not enough hours in the day, we say as we collapse late at night. Deep down we know that we cannot go on like this. Father Stinnisen's book dares us to see time with new eyes. The insight that eternity is written in the depths of our hearts helps us to live in time in a way that leads us deeper into God's joy. We are like children in a land of fairy tales where everything is exciting and exploration never ends. We therefore should rejoice that everything around us is great and mysterious and that we can live in eternal wonder. His intention is not to explain what time is and thus take away its mystery. Instead, his aim is to show us how to see time

from different perspectives and to discover how rich and multifaceted it is. Above all, he demonstrates how we can make use of the tremendous possibilities that time offers to us.

Eternal Heart

The Mystical Path to a Joyful Life *Broadleaf Books*

The heart is where the human soul and God meet. This is what teachings from Scripture and the mystics reveal: the heart is the temple of God within us and within the heart we hold the key to live a truly divine life. But how do we embody the tremendous love available to us, deep in our hearts? In *Eternal Heart*, Carl McColman, author of *The Big Book of Christian Mysticism*, invites us to create an optimistic, visionary, and imaginative path to personal happiness and fulfillment. Weaving together teachings from the biblical tradition, literature of the mystics, and wisdom of the world's contemplative traditions, McColman engages us in profound, practical exercises for cultivating fuller, more abundant, and more satisfying lives. The path of Christian Mysticism is a path of both contemplation and action. By unlocking the mysteries in our hearts, we discover a source of divine love deep within us: a power for spiritual growth, and for creating meaningful relationships and working together to change the world for the better.

In his latest book, *Do You Believe?*, pastor and best-selling author Paul David Tripp takes a close look at 12 core doctrines and how they engage and transform the human heart and mind. According to Tripp, “true belief is always lived.” To demonstrate, he unpacks each doctrine and presents its relevance for the Christian life. As readers explore topics such as the doctrine of God, the holiness of God, and the doctrine of Scripture, they will be fueled to fall deeper in love with and stand in awe of their Creator and Father—putting the truths of God’s word on display for all the world to see.

Dogmatic Constitution on Divine Revelation

Dei Verbum

This document's purpose is to spell out the Church's understanding of the nature of revelation--the process whereby God communicates with human beings. It touches upon questions about Scripture, tradition, and the teaching authority of the Church. The major concern of the document is to proclaim a Catholic understanding of the Bible as the "word of God." Key elements include: Trinitarian structure, roles of apostles and bishops, and biblical reading in a historical context.

Gospel Doctrine *Sagwan Press*

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as
