The New Sunset Western Garden Book is the ultimate flower (and vegetable) growing guide for this area. Published this year, it features climate zones so you can determine which flowers work best in your growing zone. It is also very picture-heavy, so you can

visualize any type of flower in your garden.

The New Western Garden Book: The Ultimate Gardening Guide ...

Western gardeners know this book as their gardening bible. Since the 1930's, growers of all kinds of plants in the many diverse climate regions of the western U.S. have referred to this book for regionally appropriate information.

The New Sunset Western Garden Book - Garden.org

The two or three recent re-issues of Sunset's Western Garden Book have become more "posh" and sophisticated, like coffee-table issues, not meant for nitty-gritty work in the yard. The

particular volume I bought on Amazon was in incredibly perfect condition; my guess is that the original owner had never even opened it (it was inscribed as a Christmas gift from his parents!) And the price was ...
