The Conscience Of A Conservative

The Conscience of a Conservative is a 1960 book published under the name of Arizona Senator Barry Goldwater who was the 1964 Republican presidential candidate. It revived the American conservative movement, made Goldwater a political star, and has influenced countless conservatives in the United States, helping to lay the

foundation for the Reagan Revolution of the 1980s.

The Conscience of a Conservative - Wikipedia

The Conscience of a Conservative is a slim read -- barely 80 pages -- but it nonetheless offers up a profound and thorough defense of American conservatism. Not a defense of the Republican party, to be clear -- Goldwater has some harsh words for some of his fellow Republicans. Instead, this is a defense of conservative thinking, complete with a ...

The title echoes Barry Goldwater's book *Conscience of a Conservative*; Goldwater was the 1964 Republican nominee for president against Lyndon Johnson. Goldwater lost, but sparked a conservative movement that Flake still admires (and cites in the book). Flake says on the book cover, "Today, the American conservative movement has lost its way."

Conscience of a Conservative, by Jeff Flake

Wellstone's title was a response to Barry Goldwater's 1960 book *The Conscience of a Conservative*. In the book, Krugman studies the past 80 years of American history in the context of economic

inequality. A central theme is the reemergence of both economic and political inequality since the 1970s.

The Conscience of a Liberal - Wikipedia

Conscience of a Conservative is a lucid look at what ails the Republican Party."

—New Republic "Flake is correct that the market for the politics of inclusion and expansion has shrunk, and that Trump represents a singular threat to it. With this book, he has put his political career on the line in an attempt to expand it."

—USA Today
