House of Day, House of Night

The town of Nowa Ruda and the surrounding countryside is a place of

House of Darkness House of Light

Roger and Carolyn Perron purchased the home of their dreams and eventual nightmares in December of 1970. The Arnold Estate, located just beyond the village of Harrisville, Rhode Island seemed the idyllic setting in which to raise a family. The couple unwittingly moved their five young daughters into the ancient and mysterious farmhouse. Secrets were kept and then revealed within a space shared by mortal and immortal alike. Time suddenly became irrelevant; fractured by spirits making their presence known then dispersing into the ether. The house is a portal to the past and a passage to the future. This is a sacred story of spiritual enlightenment, told some thirty years

hence. The family is now somewhat less reticent to divulge a closely-guarded experience. Their odyssey is chronicled by the eldest sibling and is an unabridged account of a supernatural excursion. Ed and Lorraine Warren investigated this haunting in a futile attempt to intervene on their behalf. They consider the Perron family saga to be one of the most compelling and significant of a famously ghost-storied career as paranormal researchers. During a seance gone horribly wrong, they unleashed an unholy hostess; the spirit called Bathsheba; a God-forsaken soul. Perceiving herself to be the mistress of the house, she did not appreciate the competition. Carolyn had long been under siege; overt threats issued in the form of fire...a mother's

greatest fear. It transformed the woman in unimaginable ways. After nearly a decade the family left a once beloved home behind though it will never leave them, as each remains haunted by a memory. This tale is an inspiring testament to the resilience of the human spirit on a pathway of discovery: an eternal journey for the living and the dead.

The House of Birds *Hachette UK*

Morgan McCarthy's THE HOUSE OF BIRDS is a beautiful and bewitching story of love, war and second chances that will be adored by readers of Kate Morton, Virginia Baily and Lucinda Riley. Oliver has spent years trying to convince himself that he's suited to a life of money making in the city, and that he doesn't miss a childhood spent in pursuit of mystery, when he cycled around the cobbled lanes of Oxford, exploring its most intriguing corners. When his

girlfriend Kate inherits a derelict house - and a fierce family feud - she's determined to strip it, sell it and move on. For Oliver though, the house has an allure, and amongst the shelves of discarded, leather bound and gilded volumes, he discovers one that conceals a hidden diary from the 1920s. So begins a quest: to discover the identity of the author, Sophia Louis. It is a portrait of war and marriage, isolation and longing and a story that will shape the future of the abandoned house - and of Oliver - forever.

House of Names *Simon and Schuster*

* A Washington Post Notable Fiction Book of the Year * Named a Best Book of 2017 by NPR, The Guardian, The Boston Globe, St. Louis Dispatch From the

thrilling imagination of bestselling, award-winning Colm Tóibín comes a retelling of the story of Clytemnestra and her children—"brilliant...gripping...high drama...made tangible and graphic in Tóibín's lush prose" (Booklist, starred review). "I have been acquainted with the smell of death." So begins Clytemnestra's tale of her own life in ancient Mycenae, the legendary Greek city from which her husband King Agamemnon left when he set sail with his army for Troy. Clytemnestra rules Mycenae now, along with her new lover Aegisthus, and together they plot the bloody murder of Agamemnon on the day of his return after nine years at war. Judged, despised, cursed by gods, Clytemnestra reveals the tragic saga that led to these bloody actions: how her

husband deceived her eldest daughter Iphigeneia with a promise of marriage to Achilles, only to sacrifice her; how she seduced and collaborated with the prisoner Aegisthus; how Agamemnon came back with a lover himself; and how Clytemnestra finally achieved her vengeance for his stunning betrayal—his quest for victory, greater than his love for his child. House of Names “is a disturbingly contemporary story of a powerful woman caught between the demands of her ambition and the constraints on her gender...Never before has Tóibín demonstrated such range,” (The Washington Post). He brings a modern sensibility and language to an ancient classic, and gives this extraordinary character new life, so that we not only believe Clytemnestra’s thirst

for revenge, but applaud it. Told in four parts, this is a fiercely dramatic portrait of a murderess, who will herself be murdered by her own son, Orestes. It is Orestes’s story, too: his capture by the forces of his mother’s lover Aegisthus, his escape and his exile. And it is the story of the vengeful Electra, who watches over her mother and Aegisthus with cold anger and slow calculation, until, on the return of her brother, she has the fates of both of them in her hands.

House of Rejoicing *Running Rabbit Press*

House of Rejoicing is Libbie Hawker's long-awaited return to the lush decadence and dark power of ancient Egypt. In the waning years of Egypt's Eighteenth Dynasty, when female power can only come at an unsettling price, four royal women struggle against the shadowy influence of Akhenaten, the infamous heretic Pharaoh. Akhenaten wields control of a strange, emerging religion unlike anything Egypt has seen. His power can't be denied, but whoever can maintain her grip on the unpredictable Pharaoh will hold all of Egypt in her hands—and better still, will remain mistress of her own fate. Tiy, once the undisputed might behind the throne, must choose to relinquish her

hard-won influence, or manipulate the innocent in order to secure her hold on Akhenaten's leash. Kiya, an idealistic foreign princess, will win Akhenaten with love—if he's capable of feeling love at all. The celebrated beauty Nefertiti will use the Pharaoh for her own ends, turning the tables of a deadly political game to free herself from her ambitious father's grasp. And Sitamun, kept imprisoned as the Pharaoh's plaything, will defy the gods themselves to save her daughter from a similar fate. *House of Rejoicing* is the first part in Libbie Hawker's new ancient Egyptian series, *The Book of Coming Forth by Day*. The story will continue in Part Two, *Storm in the Sky*, in July of 2015.

House of Outrageous Fortune *Simon*

and Schuster

"Michael Gross's new book...packs [in] almost as many stories as there are apartments in the building. The Jackie Collins of real estate likes to map expressions of power, money and ego... Even more crammed with billionaires and their exploits than 740 Park" (Penelope Green, *The New York Times*). With two concierge-staffed lobbies, a walnut-lined library, a lavish screening room, a private sixty-seat restaurant offering residents room service, a health club complete with a seventy-foot swimming pool, penthouses that cost almost \$100 million, and a tenant roster that's a roll call of business page heroes and villains, *Fifteen Central Park West* is the most outrageously successful, insanely expensive, titanicallly tycoon-

stuffed real estate development of the twenty-first century. In this “stunning” (CNN) and “deliciously detailed” (Booklist, starred review) New York Times bestseller, journalist Michael Gross turns his gimlet eye on the new-money wonderland that’s sprung up on the southwest rim of Central Park. Mixing an absorbing business epic with hilarious social comedy, Gross “takes another gossip-laden bite out of the upper crust” (Sam Roberts, *The New York Times*), which includes Denzel Washington, Sting, Norman Lear, top executives, and Russian and Chinese oligarchs, to name a few. And he recounts the legendary building’s inspired genesis, costly construction, and the flashy international lifestyle it has brought to a once benighted and socially *déclassé*

Manhattan neighborhood. More than just an apartment building, 15CPW represents a massive paradigm shift in the lifestyle of New York’s rich and famous—and is a bellwether of the city’s changing social and financial landscape.

Secrets of Our House *St. Martin's Griffin*

A thrilling domestic drama set against the power of the wilderness, Rea Frey's *Secrets of Our House* is a deeply-felt novel of long-held secrets and the strength of family. Desi is the mastermind behind her dream getaway house. Nestled high into the mountains of North Carolina, it is a sleek place, a luxurious place, a dark place. A place full of secrets. Secrets about the man she longs for, a man who is not her husband.

Secrets about the roots of her family that must never, ever, see the light of day. When Desi and her family arrive from Chicago to spend the summer in the mountains, the seeds for the tumultuous months to follow are planted—her marriage on the rocks, not knowing which way they'll go. Her seventeen year-old daughter Jules, falling in love for the first time with a local boy—and forging a new path that will take her to uncharted places. And Carter—a man Desi knew long ago, before she expunged him from her life for good. All hurtling toward events none of them can undo. Engaging, propulsive, and with a dramatic, heart-pounding final act, *Secrets of Our House* is a dazzling novel, richly-drawn, that shows no matter how hard outside forces may

shake you, the bonds of family are stronger than the harshest winds.

The Books of Jacob *Penguin*

"Just as awe-inspiring as the Nobel judges claimed." – The Washington Post
"Olga Tokarczuk is one of our greatest living fiction writers. . . This could well be a decade-defining book akin to Bolaño's 2666." –AV Club
"Sophisticated and ribald and brimming with folk wit. . . The comedy in this novel blends, as it does in life, with genuine tragedy." –Dwight Garner, The New York Times
The Nobel Prize-winner's richest, most sweeping and ambitious novel yet follows the comet-like rise and fall of a mysterious, messianic religious leader as he blazes his way across eighteenth-century Europe. In the mid-eighteenth century,

as new ideas—and a new unrest—begin to sweep the Continent, a young Jew of mysterious origins arrives in a village in Poland. Before long, he has changed not only his name but his persona; visited by what seem to be ecstatic experiences, Jacob Frank casts a charismatic spell that attracts an increasingly fervent following. In the decade to come, Frank will traverse the Hapsburg and Ottoman empires with throngs of disciples in his thrall as he reinvents himself again and again, converts to Islam and then Catholicism, is pilloried as a heretic and revered as the Messiah, and wreaks havoc on the conventional order, Jewish and Christian alike, with scandalous rumors of his sect's secret rituals and the spread of his increasingly iconoclastic beliefs. The story of

Frank—a real historical figure around whom mystery and controversy swirl to this day—is the perfect canvas for the genius and unparalleled reach of Olga Tokarczuk. Narrated through the perspectives of his contemporaries—those who revere him, those who revile him, the friend who betrays him, the lone woman who sees him for what he is—*The Books of Jacob* captures a world on the cusp of precipitous change, searching for certainty and longing for transcendence. In a nod to books written in Hebrew, *The Books of Jacob* is paginated in reverse, beginning on p. 955 and ending on p. 1 – but read traditionally, front cover to back.

Sleep With The Devil *Pickle Partners Publishing*

Sleep with the Devil, first published in 1954, is a hard-boiled noir crime novel by prolific author Day Keene (pseudonym of Gunnar Hjerstedt, 1904-1969). The novel follows Les Ferron, a borderline sociopath who commits a series of crimes, has two girlfriends – one “good,” and one “bad – and a large amount of cash. The plot has twists along the way to keep readers

engaged to the very end in this taut thriller.

House of Sticks *Simon and Schuster*

New York City Book Awards Hornblower Award Winner One of Vogue and NPR's Best Books of the Year This beautifully written “masterclass in memoir” (Elle) recounts a young girl's journey from war-torn Vietnam to Queens, New York, “showcas[ing] the tremendous power we have to alter the fates of others, step into their lives and shift the odds in favor of greater opportunity” (Star Tribune, Minneapolis). Ly Tran is just a toddler in 1993 when she and her family immigrate from a small town along the Mekong river in Vietnam to a two-bedroom railroad apartment in Queens. Ly's father, a former lieutenant in the South

Vietnamese army, spent nearly a decade as a POW, and their resettlement is made possible through a humanitarian program run by the US government. Soon after they arrive, Ly joins her parents and three older brothers sewing ties and cummerbunds piece-meal on their living room floor to make ends meet. As they navigate this new landscape, Ly finds herself torn between two worlds. She knows she must honor her parents' Buddhist faith and contribute to the family livelihood, working long hours at home and eventually as a manicurist alongside her mother at a nail salon in Brooklyn that her parents take over. But at school, Ly feels the mounting pressure to blend in. A growing inability to see the blackboard presents new challenges, especially

when her father forbids her from getting glasses, calling her diagnosis of poor vision a government conspiracy. His frightening temper and paranoia leave a mark on Ly's sense of self. Who is she outside of everything her family expects of her? An "unsentimental yet deeply moving examination of filial bond, displacement, war trauma, and poverty" (NPR), *House of Sticks* is a timely and powerful portrait of one girl's coming-of-age and struggle to find her voice amid clashing cultural expectations.

House of Hospitality *Our Sunday Visitor*

"A great many of these notes were not written for publication, but for my own self in moments of trouble and in moments of peace and joy." Dorothy

Day's reflections-written on the fly over five hectic years-reveal not only the beginnings of the Catholic Worker Movement, but the mind of a heroic woman as she responds to the demands of faith. Now back in print after seventy-five years, *House of Hospitality* is packed with stories of sacrifice and kindness, strikes and protests, hunger and soup lines, the rough reality of tenement life, and the foul odor of poverty. "I do penance through my nose continually," Dorothy wrote. And yet, as she said, "Our lives are made up of little miracles day by day." Dorothy Day and her fellow workers were "poor for the poor," as Pope Francis has exhorted, and the early years of this Gospel-driven moment have much to teach us about how we can live, today, with a heart for others. "Love and

ever more love," Dorothy said, "is the only solution to every problem that comes up."

Drive Your Plow Over the Bones of

the Dead *Penguin*

WINNER OF THE NOBEL PRIZE IN LITERATURE "A brilliant literary murder mystery." —Chicago Tribune "Extraordinary. Tokarczuk's novel is funny, vivid, dangerous, and disturbing, and it raises some fierce questions about human behavior. My sincere admiration for her brilliant work." —Annie Proulx In a remote Polish village, Janina devotes the dark winter days to studying astrology, translating the poetry of William Blake, and taking care of the summer homes of wealthy Warsaw residents. Her reputation as a crank and a recluse is amplified by her not-so-secret preference for the company of animals over humans. Then a neighbor, Big Foot, turns up dead. Soon other bodies are discovered, in increasingly strange

circumstances. As suspicions mount, Janina inserts herself into the investigation, certain that she knows whodunit. If only anyone would pay her mind . . . A deeply satisfying thriller cum fairy tale, *Drive Your Plow over the Bones of the Dead* is a provocative exploration of the murky borderland between sanity and madness, justice and tradition, autonomy and fate. Whom do we deem sane? it asks. Who is worthy of a voice?

The Dutch House *HarperCollins*

Finalist for the Pulitzer Prize New York Times Bestseller | A Read with Jenna Today Show Book Club Pick | A New York Times Book Review Notable Book | TIME Magazine's 100 Must-Read Books of 2019 Named one of the Best Books of

the Year by NPR, The Washington Post; O: The Oprah Magazine, Real Simple, Good Housekeeping, Vogue, Refinery29, and BuzzFeed Ann Patchett, the #1 New York Times bestselling author of *Commonwealth*, delivers her most powerful novel to date: a richly moving story that explores the indelible bond between two siblings, the house of their childhood, and a past that will not let them go. *The Dutch House* is the story of a paradise lost, a tour de force that digs deeply into questions of inheritance, love and forgiveness, of how we want to see ourselves and of who we really are. At the end of the Second World War, Cyril Conroy combines luck and a single canny investment to begin an enormous real estate empire, propelling his family from poverty to enormous wealth. His

first order of business is to buy the Dutch House, a lavish estate in the suburbs outside of Philadelphia. Meant as a surprise for his wife, the house sets in motion the undoing of everyone he loves. The story is told by Cyril's son Danny, as he and his older sister, the brilliantly acerbic and self-assured Maeve, are exiled from the house where they grew up by their stepmother. The two wealthy siblings are thrown back into the poverty their parents had escaped from and find that all they have to count on is one another. It is this unshakeable bond between them that both saves their lives and thwarts their futures. Set over the course of five decades, *The Dutch House* is a dark fairy tale about two smart people who cannot overcome their past. Despite every

outward sign of success, Danny and Maeve are only truly comfortable when they're together. Throughout their lives they return to the well-worn story of what they've lost with humor and rage. But when at last they're forced to confront the people who left them behind, the relationship between an indulged brother and his ever-protective sister is finally tested.

The Remains of the Day *Vintage*

BOOKER PRIZE WINNER • From the winner of the Nobel Prize in Literature, here is “an intricate and dazzling novel” (The New York Times) about the perfect butler and his fading, insular world in post-World War II England. This is Kazuo Ishiguro's profoundly compelling portrait of a butler named Stevens. Stevens, at

the end of three decades of service at Darlington Hall, spending a day on a country drive, embarks as well on a journey through the past in an effort to reassure himself that he has served humanity by serving the "great gentleman," Lord Darlington. But lurking in his memory are doubts about the true nature of Lord Darlington's "greatness," and much graver doubts about the nature of his own life.

Slade House *Random House*

The New York Times bestseller by the author of *The Bone Clocks* and *Cloud Atlas* | Named One of the Best Books of the Year by San Francisco Chronicle, NPR, Los Angeles Times, The Guardian, The Telegraph, National Post, BookPage, and Kirkus Reviews Keep your eyes

peeled for a small black iron door. Down the road from a working-class British pub, along the brick wall of a narrow alley, if the conditions are exactly right, you'll find the entrance to Slade House. A stranger will greet you by name and invite you inside. At first, you won't want to leave. Later, you'll find that you can't. Every nine years, the house's residents—an odd brother and sister—extend a unique invitation to someone who's different or lonely: a precocious teenager, a recently divorced policeman, a shy college student. But what really goes on inside Slade House? For those who find out, it's already too late. . . . Spanning five decades, from the last days of the 1970s to the present, leaping genres, and barreling toward an astonishing conclusion, this intricately

woven novel will pull you into a reality-warping new vision of the haunted house story—as only David Mitchell could imagine it. Praise for Slade House “A fiendish delight . . . House of Sticks *Scribe Publications*

Bonnie, never domestically inclined, has given up her life as a musician to become a stay-at-home mother to three small children. She tells herself she has no regrets, but sometimes the isolation and endless drudgery are overwhelming, and threaten to swamp the love between Bonnie and her partner, Pete. Her almost-happy life is disrupted by the arrival of a character from her husband's

past. Doug, an old mate of Pete's, is eccentric and intrusive, a lame duck who drifts in and then never seems to leave, bringing trouble with him. His unsettling presence provides the catalyst for this very suspenseful novel. When both Bonnie's and Pete's allegiances are tested, and the cracks really start to show in the life they've built together, it seems the dangers might not come only from outside but from within as well.

House of Holes

Shandee finds a friendly arm at a granite quarry. Ned drops down a hole in a golf course. Luna meets a man made of light bulbs at a tanning parlor. So begins Nicholson Baker's fuse-blowing, sex-positive escapade, *House of Holes*. Baker, the bestselling author of *The*

Mezzanine, Vox, and The Fermata, who 'writes like no one else in America' (Newsweek), returns to erotic territory with a gleefully over-the-top novel set in a pleasure resort, where normal rules don't apply. Visitors, pulled in via their drinking straws or the dryers in laundromats, can undergo crotchal transfers . . . make love to trees . . . visit the Groanrooms and the twelve-screen Porndecahedron . . . or pussy-surf the White Lake. It's very expensive, of course, but there are work-study programs. In charge of day-to-day operations is Lila, a former hospital administrator whose breast milk has unusual regenerative properties. Brimful of good-nature, wit, and surreal sexual vocabulary, House of Holes is a modern-day Hieronymous Boschian bacchanal

that is sure to surprise, amuse, and arouse.

House Of Stone *HarperCollins*

"Wonderful . . . One of the finest memoirs I've read." — Philip Caputo, Washington Post In the summer of 2006, racing through Lebanon to report on the Israeli invasion, Anthony Shadid found himself in his family's ancestral hometown of Marjayoun. There, he discovered his great-grandfather's once magnificent estate in near ruins, devastated by war. One year later, Shadid returned to Marjayoun, not to chronicle the violence, but to rebuild in its wake. So begins the story of a battle-scarred home and a journalist's wounded spirit, and of how reconstructing the one came to fortify the other. In this

bittersweet and resonant memoir, Shadid creates a mosaic of past and present, tracing the house's renewal alongside the history of his family's flight from Lebanon and resettlement in America around the turn of the twentieth century. In the process, he memorializes a lost world and provides profound insights into a shifting Middle East. This paperback edition includes an afterword by the journalist Nada Bakri, Anthony Shadid's wife, reflecting on his legacy. "A poignant dedication to family, to home, and to history . . . Breathtaking." — San Francisco Chronicle "Entertaining, informative, and deeply moving . . . House of Stone will stand a long time, for those fortunate enough to read it." — Telegraph (London)

The High House *Simon and Schuster*

Shortlisted for the 2021 Costa Novel Award In this powerful, highly anticipated novel from an award-winning author, four people attempt to make a home in the midst of environmental disaster. Perched on a sloping hill, set away from a small town by the sea, the High House has a tide pool and a mill, a

vegetable garden, and, most importantly, a barn full of supplies. Caro, Pauly, Sally, and Grandy are safe, so far, from the rising water that threatens to destroy the town and that has, perhaps, already destroyed everything else. But for how long? Caro and her younger half-brother, Pauly, arrive at the High House after her father and stepmother fall victim to a faraway climate disaster—but not before they call and urge Caro to leave London. In their new home, a converted summer house cared for by Grandy and his granddaughter, Sally, the two pairs learn to live together. Yet there are limits to their safety, limits to the supplies, limits to what Grandy—the former village caretaker, a man who knows how to do everything—can teach them as his health fails. A searing novel

that takes on parenthood, sacrifice, love, and survival under the threat of extinction, *The High House* is a stunning, emotionally precise novel about what can be salvaged at the end of the world.

The Lost Soul *Seven Stories Press*

The only book in English for readers of all ages by Nobel Prize-winning novelist Olga Tokarczuk is a beautifully illustrated meditation on the fullness of life. "Olga Tokarczuk's *The Lost Soul*, an experimental fable illustrated by Joanna Concejo and translated by Antonia Lloyd-Jones, resonates with our current moment. . . . What a striking, and lovely, material object it is." —*New York Times* "The *Lost Soul*, by Olga Tokarczuk and illustrator Joanna Concejo, is a quiet meditation on happiness, following a

busy man who loses his soul. . . It pours a childlike sense of wonder into a once-upon-a-time tale that is already resonating with adults around the world." —*Guardian* *The Lost Soul* is a deeply moving reflection on our capacity to live in peace with ourselves, to remain patient, attentive to the world. It is a story that beautifully weaves together the voice of the Nobel Prize-winning Polish novelist Olga Tokarczuk and the finely detailed pen-and-ink drawings of illustrator Joanna Concejo, who together create a parallel narrative universe full of secrets, evocative of another time. Here a man has forgotten what makes his heart feel full. He moves to a house away from all that is familiar to him to wait for his soul to return. "Once upon a time there was a man who worked very

hard and very quickly, and who had left his soul far behind him long ago. In fact his life was all right without his soul—he slept, ate, worked, drove a car and even played tennis. But sometimes he felt as if the world around him were flat, as if he were moving across a smooth page in a math book that was covered in evenly spaced squares... " —from *The Lost Soul*

The Lost Soul is a sublime album, a rare delicacy that will delight readers young and old. "You must find a place of your own, sit there quietly and wait for your soul." Winner of the Bologna Ragazzi Award, Special Mention 2018, Prix de l'Union Internationale pour les Livres de Jeunesse (IBBY), *The White Raven* (IJB Munich), and the Łódź Design Festival Award.

House of Glass *Simon and Schuster*

Writer Hadley Freeman investigates her family's secret history in this "exceptional" (*The Washington Post*) "masterpiece" (*The Daily Telegraph*) uncovering a story that spans a century, two World Wars, and three generations. Hadley Freeman knew her grandmother Sara lived in France just as Hitler started to gain power, but rarely did anyone in her family talk about it. Long after her grandmother's death, she found a shoebox tucked in the closet containing photographs of her grandmother with a mysterious stranger, a cryptic telegram from the Red Cross, and a drawing signed by Picasso. This discovery sent Freeman on a decade-long quest to uncover the significance of these keepsakes, taking her from Picasso's

archives in Paris to a secret room in a farmhouse in Auvergne to Long Island to Auschwitz. Freeman pieces together the puzzle of her family's past, discovering more about the lives of her grandmother and her three brothers, Jacques, Henri, and Alex. Their stories sometimes typical, sometimes astonishing—reveal the broad range of experiences of Eastern European Jews during the Holocaust. This “frightening, inspiring, and cautionary” (Kirkus Reviews) family saga is filled with extraordinary twists, vivid characters, and famous cameos, illuminating the Jewish and immigrant experience in the World War II era. Reviewers have asked: “is there a better book about being Jewish?” (The Daily Telegraph) Addressing themes of assimilation, identity, and home, House

of Glass is “a triumph” (The Bookseller) and a powerful story about the past that echoes issues that remain relevant today.

The Golden House *Random House*

NEW YORK TIMES BESTSELLER • A modern American epic set against the panorama of contemporary politics and culture—a hurtling, page-turning mystery that is equal parts *The Great Gatsby* and *The Bonfire of the Vanities* ONE OF THE BEST BOOKS OF THE YEAR: NPR, PBS, Harper's Bazaar, Esquire, Financial Times, The Times of India On the day of Barack Obama's inauguration, an enigmatic billionaire from foreign shores takes up residence in the architectural jewel of “the Gardens,” a cloistered community in New York's

Greenwich Village. The neighborhood is a bubble within a bubble, and the residents are immediately intrigued by the eccentric newcomer and his family. Along with his improbable name, untraceable accent, and unmistakable whiff of danger, Nero Golden has brought along his three adult sons: agoraphobic, alcoholic Petya, a brilliant recluse with a tortured mind; Apu, the flamboyant artist, sexually and spiritually omnivorous, famous on twenty blocks; and D, at twenty-two the baby of the family, harboring an explosive secret even from himself. There is no mother, no wife; at least not until Vasilisa, a sleek Russian expat, snags the septuagenarian Nero, becoming the queen to his king—a queen in want of an heir. Our guide to the Goldens' world is

their neighbor René, an ambitious young filmmaker. Researching a movie about the Goldens, he ingratiates himself into their household. Seduced by their mystique, he is inevitably implicated in their quarrels, their infidelities, and, indeed, their crimes. Meanwhile, like a bad joke, a certain comic-book villain embarks upon a crass presidential run that turns New York upside-down. Set against the strange and exuberant backdrop of current American culture and politics, *The Golden House* also marks Salman Rushdie's triumphant and exciting return to realism. The result is a modern epic of love and terrorism, loss and reinvention—a powerful, timely story told with the daring and panache that make Salman Rushdie a force of light in our dark new age.
