Chapter 18: The Federal Court System Section 1

The McCulloch decision established the doctrine of implied
powers, meaning the federal government can create policy
instruments deemed necessary and appropriate to fulfill its
constitutional responsibilities. The case also affirmed the principle
of national supremacy embodied in Article VI of the Constitution,
namely, that the Constitution and legitimate federal laws trump
state laws.

During the American Revolution (1775–1783), British colonists
fought for the right to govern themselves. In the early nineteenth
century, agitated citizens called for the removal of property
requirements for voting so poor white men could participate in
government just as wealthy men could.
