I am one chosen by the gods As the down begins to break We march to meet the horde Invaders armed with spear and sword Ten thousand legions strong A loathsome blot upon the land I thirst to see their blood upon my hands Outnumbered ten to one The air is heavy, as the sun Begins to

draw the sweat from every man Oh, a sudden change My breath, it catches in my throat I falter from the pain And filled with fear I turn to flee Oh, what have I done?

the deeds they do not have the power for. Can you be the sought-after being we've been waiting for? The Gods know of this world's fate, and it is not going to be pretty. Darkness is starting to overcome this world.

The phrase “chosen by God” is used in a variety of ways. The Bible is very clear that there are people chosen by God to do specific things. This simply means at some point God made the choice for something to happen according to His perfect wisdom, foreknowledge, and will.

What Does it Mean to be Chosen by God?

So defining what exactly One Chosen by the Gods is obviously requires a smattering of name drops. We have the obvious Wintersun/Frosttide influence concerning the way the keyboards are implemented, sort of supplementing the swerving, surgical riffing volleys instead of saturating the entire

sound in pontifical bombast.
