January *Waterhouse Press*

"Fresh, fun, and unbelievably hot, Audrey Carlan's Calendar Girl series will have you falling in love over and over again and craving the next installment." –Meredith Wild, #1 NYT Bestselling Author
Synopsis It's really simple. I needed money. A lot of money. One

million dollars to be exact. The amount didn't matter. All that mattered is that at the end of that price tag held my father's life. No money. No life. The time limit was one year. On January 1st I had to pay up or my Father was going to be killed. When you're faced with an ultimatum like this, you do whatever you have to do. And that's exactly what I did. The job...Exquisite Escorts. My role, serve as high priced arm candy to anyone that can afford the \$100,000 price tag for a month of my company. Sex is optional (for me) and a 20% increase on the price. *** Mia Saunders just barely escaped a paltry life back home in Las Vegas until she gets the call that her Father has been beaten to within an inch of his life for not paying his gambling debt. Problem is, the lone shark is her lousy, ruthless ex-boyfriend. Another guy in a long line of men she'd fallen head over heels for. Not anymore. Mia's mission is simple. Serve as a high-priced escort for her Aunt's company and pay monthly against her Father's bad debt. A month with a rich man who she doesn't have to sleep with if she doesn't want to? Easy money. At least that's the way it was supposed to go. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia, told from her perspective as she continues her journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

She can barely accept the dark deeds of my past—a bloody history spelled out in a ledger she's more preoccupied with than I'd like. When an old associate sets a dangerous plan in motion, I can't hide who I really am. And there's no turning back...

Mind *Waterhouse Press LLC*

I'm a magnet for evil and controlling men. Chase, my big business tycoon and love of my life, thinks he can protect me...he can't. No one can. It became clear far too late how serious my stalker was, that his threats weren't idle. He proved more than once that he would do what it takes, that there were no stakes too high to his sick and twisted games and delusions of worship. We should have been better prepared. The roses, images, lingerie soaked in his seed, even his calling card written in blood didn't penetrate. I had faith that my love could make it go away, that eventually he'd be caught. I was wrong. *** In the second highly anticipated erotic suspense novel in the Trinity Trilogy, MIND digs deep into the heart and psyche of Gillian and her stalker through dueling POVs. While Chase and Gillian plan their wedding, follow them and the entire gang as the stalker acts out his revenge and plots his attack on Gillian, Chase, and their friends. This book can be considered dark, erotic, and thrilling. As in Body (Trinity Trilogy Book 1) the issue of domestic violence plays heavily in the story line, and Gillian experiences many

disturbing flashbacks of the past, alongside tragedy the stalker brings to the present. There is also a lot of love, devotion, and friendship. Warning: This book is designed for audiences 18+ due to language, graphic sexual content, and themes that some may find disturbing. MIND is book 2 of a three-part trilogy. Body (Trinity Trilogy - Book 1) must be read prior to reading MIND.
