The EU The Wto And

Both the European Union (EU) and the individual EU countries are members of the WTO. The WTO's main activities are: Being a forum for international trade negotiations (e.g. the Doha Development Round) Resolving trade disputes (Dispute Settlement) Setting legal rules for trade in the form of trade agreements.

EU and WTO - Trade - European Commission

The European Union and the WTO. This page gathers key information on the European Union's participation in the WTO. The European Union (until 30 November 2009 known officially in the WTO as the European Communities for legal reasons) (more info) has been a WTO member since 1 January 1995. The member States of the EU are also WTO members in their own right.

WTO | European Union - Member information

The EU speaks with one voice on international trade matters, including in the World Trade Organization (WTO), where the EU Mission represents the EU and its 27 EU member states. The EU is committed to multilateralism and has acknowledged the fundamental importance of the WTO in the international trade system.

The EU and the WTO - European External Action Service

About The EU and the WTO. The essays in this volume attempt to explore and elucidate some of the legal and constitutional complexities of the relationship between the EU and the WTO, focusing particularly on the impact of the latter and its relevance for the former. The effect of WTO norms is evident across a broad range of European economic and social policy fields, affecting regulatory and distributive policies alike.

The EU and the WTO: Legal and Constitutional Issues ...

The EU is currently exploring reform of the WTO and published a concept paper on 'WTO modernisation'. The paper focuses on three key areas: updating the rule book on international trade to capture today's global economy, strengthening the monitoring role of the WTO and overcoming deadlock on the WTO dispute settlement system.

The EU at the WTO: the next Director-General | News | LS

... THE EU AND THE WTO So far, the EU has played a central role in developing the international trading system since World War II.

Currently, the EU is exploring the possibility of modernising the WTO[4]. Like the GATT (and later the WTO), the EU was itself originally designed to remove customs barriers and promote trade between its Member States.

The European Union and the World Trade Organization

The EU and the WTO So far, the EU has played a central role in developing the international trading system since World War II. Currently, the EU is exploring the possibility of modernising the WTO. Like the GATT (and later the WTO), the EU was itself originally designed to remove customs barriers and promote trade between its Member States.
