Power Without Responsibility Press Broadcasting

Power Without Responsibility is a classic introduction to the history, sociology, theory and politics of the media in Britain. Hailed by the Times Higher as the 'seminal media text', and translated into Arabic, Chinese and other foreign languages, it is an essential guide for media students and critical media consumers alike.

Power without Responsibility: Press, Broadcasting and the ...

This book attacks the conventional history of the press as a story of progress; offers a critical defence and history of public service broadcasting; provides a myth-busting account of the internet; a subtle account of the impact of social media and explores key debates about the role and politics of the media. It has become a standard book on media and other courses: but it has also gone ...
