Collected Jorkens Vol Travel Tales

Jorkens recounts his adventures for club members in return for a whiskey, and the club members are never quite sure how truthful he's being. This first collection by Nightshade of three volumes includes tales originally published as The Travel Tales of Joseph Jorkens (1931) and Jorkens Remembers Africa (1934). I love the atmosphere of these stories.

Jorkens Remembers Africa - AbeBooks

A great compilation of the first two collections of Lord Dunsany's Jorkens tales, where a traveller, quite fond of whisky and soda, will tell you, for the low price of one glass of this beverage, the most exotic recollections of his (and other people's) travels to far-off lands (and even to planet Mars, thanks to a clever use of planetary orbits) in Dunsany's clever and superb style.
