The Terror

A Novel *Little, Brown*

The "masterfully chilling" novel that inspired the hit AMC series (Entertainment Weekly). The men on board the HMS Terror — part of the 1845 Franklin Expedition, the first steam-powered vessels ever to search for the legendary Northwest Passage — are entering a second summer in the Arctic Circle without a thaw, stranded in a nightmarish landscape of encroaching ice and darkness. Endlessly cold, they struggle to survive with poisonous rations, a dwindling coal supply, and ships buckling in the grip of crushing ice. But their real enemy is even more terrifying. There is something out there

in the frigid darkness: an unseen predator stalking their ship, a monstrous terror clawing to get in. "The best and most unusual historical novel I have read in years." —Katherine A. Powers, *Boston Globe*

The Terror

A Novel *Random House*

Suspense fiction. The men on board Her Britannic Majesty's Ships Terror and Erebus had every expectation of triumph. They were part of Sir John Franklin's 1845 expedition - as scientifically advanced an enterprise as had ever set forth - and theirs were the first steam-driven vessels to go in search of the fabled North-West Passage. But the ships

have now been trapped in the Arctic ice for nearly two years. Coal and provisions are running low. Yet the real threat isn't the constantly shifting landscape of white or the flesh-numbing temperatures, dwindling supplies or the vessels being slowly crushed by the unyielding grip of the frozen ocean. No, the real threat is far more terrifying. There is something out there that haunts the frigid darkness, which stalks the ships, snatching one man at a time - mutilating, devouring. A nameless thing, at once nowhere and everywhere, this terror has become the expedition's nemesis. When Franklin meets a terrible death, it falls to Captain Francis Crozier

of HMS Terror to take command and lead the remaining crew on a last, desperate attempt to flee south across the ice. With them travels an Eskimo woman who cannot speak. She may be the key to survival - or the harbinger of their deaths. And as scurvy, starvation and madness take their toll, as the Terror on the ice become evermore bold, Crozier and his men begin to fear there is no escape.

The Terror *Back Bay Books*

The bestselling novel, "a brilliant, massive combination of history and supernatural horror" (Stephen King) is now a major TV series. The men on board the HMS Terror have every expectation of finding the Northwest Passage.

But what they don't expect is a monstrous predator lurking behind the Arctic ice. When the expedition's leader, Sir John Franklin, meets a horrifying end, Captain Francis Crozier takes command, leading his surviving crewmen on a last desperate attempt to flee south across the ice. But another winter is rapidly approaching, and with it, scurvy and starvation. Crozier and his men may find that there is no escaping the terror stalking them southward. And with the crushing cold and the fear of almost certain death at their backs, the most horrifying monster among them may be each other.

The Abominable

A Novel *Little, Brown*

A thrilling tale of high-altitude death and survival set on the snowy summits of Mount Everest, from the bestselling author of *The Terror*. It's 1924 and the race to summit the world's highest mountain has been brought to a terrified pause by the shocking disappearance of George Mallory and Sandy Irvine high on the shoulder of Mt. Everest. By the following year, three climbers -- a British poet and veteran of the Great War, a young French Chamonix guide, and an idealistic young American -- find a way to take their shot at the top. They arrange funding from the grieving Lady Bromley, whose son also disappeared on Mt. Everest in 1924. Young Bromley must

be dead, but his mother refuses to believe it and pays the trio to bring him home. Deep in Tibet and high on Everest, the three climbers -- joined by the missing boy's female cousin -- find themselves being pursued through the night by someone . . . or something. This nightmare becomes a matter of life and death at 28,000 feet - but what is pursuing them? And what is the truth behind the 1924 disappearances on Everest? As they fight their way to the top of the world, the friends uncover a secret far more abominable than any mythical creature could ever be. A pulse-pounding story of adventure and suspense, *The Abominable* is Dan Simmons at his spine-

chilling best.

A Winter Haunting

Harper Collins

A once-respected college professor and novelist, Dale Stewart has sabotaged his career and his marriage -- and now darkness is closing in on him. In the last hours of Halloween he has returned to the dying town of Elm Haven, his boyhood home, where he hopes to find peace in isolation. But moving into a long-deserted farmhouse on the far outskirts of town -- the one-time residence of a strange and brilliant friend who lost his young life in a grisly "accident" back in the terrible summer of 1960 -- is only the latest in his long succession of recent mistakes. Because

Dale is not alone here. He has been followed to this house of shadows by private demons who are now twisting his reality into horrifying new forms. And a thick, blanketing early snow is starting to fall ...

Dracula's Child *Titan Books*

It has been some years since Jonathan and Mina Harker survived their ordeal in Transylvania and, vanquishing Count Dracula, returned to England to try and live ordinary lives. But shadows linger long and, the older their son Quincey gets, the deeper the shadows at the heart of the Harker family. Whilst, on the Continent, the vestiges of something forgotten long is finally beginning to stir.

Summer of Night

A Novel *St. Martin's Griffin*

This masterfully crafted horror classic, featuring a brand-new introduction by Dan Simmons, will bring you to the edge of your seat, hair standing on end and blood freezing in your veins It's the summer of 1960 and in the small town of Elm Haven, Illinois, five twelve-year-old boys are forging the powerful bonds that a lifetime of change will not break. From sunset bike rides to shaded hiding places in the woods, the boys' days are marked by all of the secrets and silences of an idyllic middle-childhood. But amid the sundrenched cornfields their loyalty will be pitilessly tested. When a long-silent bell

peals in the middle of the night, the townsfolk know it marks the end of their carefree days. From the depths of the Old Central School, a hulking fortress tinged with the mahogany scent of coffins, an invisible evil is rising. Strange and horrifying events begin to overtake everyday life, spreading terror through the once idyllic town. Determined to exorcize this ancient plague, Mike, Duane, Dale, Harlen, and Kevin must wage a war of blood—against an arcane abomination who owns the night...

Flashback *Reagan Arthur Books*

A provocative dystopian thriller set in a future that seems scarily possible, Flashback proves why

Dan Simmons is one of our most exciting and versatile writers. The United States is near total collapse. But 87% of the population doesn't care: they're addicted to flashback, a drug that allows its users to re-experience the best moments of their lives. After ex-detective Nick Bottom's wife died in a car accident, he went under the flash to be with her; he's lost his job, his teenage son, and his livelihood as a result. Nick may be a lost soul but he's still a good cop, so he is hired to investigate the murder of a top governmental advisor's son. This flashback-addict becomes the one man who may be able to change the course of an entire nation turning away from the future to live

in the past.

Song of Kali *Open Road Media*

The World Fantasy Award winner by the author of the Hyperion Cantos and Carrion Comfort: An American finds himself encircled by horrors in Calcutta. Praised by Dean Koontz as "the best novel in the genre I can remember," *Song of Kali* follows an American magazine editor who journeys to the brutally bleak, poverty-stricken Indian city in search of a manuscript by a mysterious poet—but instead is drawn into an encounter with the cult of Kali, goddess of death. A chilling voyage into the squalor and violence of the human condition, this novel is considered by many to be the best

work by the author of *The Terror*, who has been showered with accolades, including the Bram Stoker Award, the International Horror Guild Award, and the Hugo Award.

Black Hills

A Novel *Reagan Arthur Books*

When Paha Sapa, a young Sioux warrior, "counts coup" on General George Armstrong Custer as Custer lies dying on the battlefield at the Little Bighorn, the legendary general's ghost enters him - and his voice will speak to him for the rest of his event-filled life. Seamlessly weaving together the stories of Paha Sapa, Custer, and the American West, Dan Simmons depicts a

tumultuous time in the history of both Native and white Americans. Haunted by Custer's ghost, and also by his ability to see into the memories and futures of legendary men like Sioux war-chief Crazy Horse, Paha Sapa's long life is driven by a dramatic vision he experienced as a boy in his people's sacred Black Hills. In August of 1936, a dynamite worker on the massive Mount Rushmore project, Paha Sapa plans to silence his ghost forever and reclaim his people's legacy-on the very day FDR comes to Mount Rushmore to dedicate the face.

The Crook Factory

Mulholland Books

It's the summer of 1942, and FBI agent Joe Lucas has come to Cuba at the behest of the Director to keep an eye on Ernest Hemingway in the Caribbean. Lucas thinks of it as a demotion—a babysitting job for a famous writer who has decided to play spy, assembling a team of misfits including an American millionaire, a twelve-

year-old Cuban orphan, a Spanish jai alai champion and more in a would-be espionage ring Hemingway dubs the “Crook Factory.” But when Hemingway uncovers a critical piece of intelligence that both threatens his life and endangers the political landscape, the fate of the free world and the life of one of its most preeminent writers lies in the hands of the FBI's most ruthless agent.

Phases of Gravity

Open Road Media

A New York Times–bestselling author's moving novel about an astronaut returning to Earth, and the small steps and giant leaps love requires. Richard Baedeker thinks his greatest challenge was walking on the moon,

but then he meets a mysterious woman who shows him his past. Join Baedeker as he comes to grips with the son and wife he lost owing to his passion for space exploration, his forgotten childhood, and the loss he experienced during the deadly flight of the Challenger. The most difficult exploration of his life is not the cold, rocky crevices of the moon, but the warm interior of his heart. Brilliant and beautifully written, *Phases of Gravity* is a masterpiece about love and loss that transports readers far beyond the confines of space and time. *Phases of Gravity* is a thoughtful, deeply involving novel from an author who has earned numerous honors,

including the World Fantasy Award for *Song of Kali* and the Hugo Award for *Hyperion*.

The Hollow Man

A Novel *Spectra*

Jeremy Bremen has a secret. All his life he's been cursed with the ability to read minds. He knows the secret thoughts, fears, and desires of others as if they were his own. For years, his wife, Gail, has served as a shield between Jeremy and the burden of this terrible knowledge. But Gail is dying, her mind ebbing slowly away, leaving him vulnerable to the chaotic flood of thought that threatens to sweep away his sanity. Now Jeremy is on the run--from his mind, from his past, from himself--hoping to

find peace in isolation. Instead he witnesses an act of brutality that propels him on a treacherous trek across a dark and dangerous America. From a fantasy theme park to the lair of a killer to a sterile hospital room in St. Louis, he follows a voice that is calling him to witness the stunning mystery at the heart of mortality.

Children of the Night

A Vampire Novel *St. Martin's Griffin*

"Simmons writes like a hot-rodding angel." -Stephen King An evil legacy comes to life in this classic and ultimately human novel about believable vampires, featuring a brand-new introduction by Dan Simmons. *Children of the Night* will take you to a place

that no one knows—yet all of us fear. In a desolate orphanage in post-Communist Romania, a desperately ill infant is given the wrong blood transfusion—and flourishes rather than dies. For immunologist Kate Neuman, the infant's immune system may hold the key to cure cancer and AIDS. Kate adopts the baby and takes him home to the States. But baby Joshua holds a link to an ancient clan and their legendary leader—Vlad Tsepes, the original Dracula - whose agents kidnap the child. Against impossible odds and vicious enemies- both human and vampire - Kate and her ally, Father Mike O'Rourke, steal into Romania to get her baby back. "A

mesmerizing tour through the ghostly, gray tatters of Romania." -Publishers Weekly "Simmons gives a chilling description of post-Ceausescu Romania and neatly ties the vampire legend into political history to create a new and clever twist to the idea of the vampire's craving for blood." -Library Journal "His best novel ever... Toothsomely well written." -Kirkus "Brilliant ideas... The most rigorous and interesting scientific rationale for vampirism I've ever seen... You keep turning the pages." -Locus

Ilium *Harper Collins*

The Trojan War rages at the foot of Olympus Mons on Mars -- observed and

influenced from on high by Zeus and his immortal family -- and twenty-first-century professor Thomas Hockenberry is there to play a role in the insidious private wars of vengeful gods and goddesses. On Earth, a small band of the few remaining humans pursues a lost past and devastating truth -- as four sentient machines depart from Jovian space to investigate, perhaps terminate, the potentially catastrophic emissions emanating from a mountaintop miles above the terraformed surface of the Red Planet.

Carrion Comfort

A Novel *St. Martin's Griffin*

"CARRION COMFORT is one of the three greatest horror novels

of the 20th century. Simple as that." -- Stephen King "Epic in scale and scope but intimately disturbing, CARRION COMFORT spans the ages to rewrite history and tug at the very fabric of reality. A nightmarish chronicle of predator and prey that will shatter your world view forever. A true classic." --Guillermo del Toro "CARRION COMFORT is one of the scariest books ever written. Whenever I get the question asked Who's your favorite author? my answer is always Dan Simmons." --James Rollins "One of the few major reinventions of the vampire concept, on a par with Jack Finney's Invasion of the Body Snatchers, Richard Matheson's I Am Legend, and Stephen King's Salem's Lot. --David Morrell THE PAST... Caught behind the lines of Hitler's Final Solution, Saul Laski is one of the multitudes destined to die in the notorious Chelmno extermination camp. Until he rises to meet his fate and finds himself face to face with an evil far older, and far greater, than the Nazi's themselves... THE PRESENT... Compelled by the encounter to survive at all costs, so begins a journey that for Saul will span decades and cross continents, plunging into the darkest corners of 20th century history to reveal a secret society of beings who may often exist behind the world's most horrible and violent events. Killing from a distance, and by darkly

manipulative proxy, they are people with the psychic ability to 'use' humans: read their minds, subjugate them to their wills, experience through their senses, feed off their emotions, force them to acts of unspeakable aggression. Each year, three of the most powerful of this hidden order meet to discuss their ongoing campaign of induced bloodshed and deliberate destruction. But this reunion, something will go terribly wrong. Saul's quest is about to reach its elusive object, drawing hunter and hunted alike into a struggle that will plumb the depths of mankind's attraction to violence, and determine the future of the world itself...

Sir John Franklin's Erebus and Terror Expedition

Lost and Found *Bloomsbury Publishing*

In 1845, British explorer Sir John Franklin set out on a voyage to find the North-West Passage – the sea route linking the Atlantic Ocean to the Pacific. The expedition was expected to complete its mission within three years and return home

in triumph but the two ships, HMS Erebus and HMS Terror, and the 129 men aboard them disappeared in the Arctic. The last Europeans to see them alive were the crews of two whaling ships in Baffin Bay in July 1845, just before they entered the labyrinth of the Arctic Archipelago. The loss of this British hero and his crew, and the many rescue expeditions and searches that followed, captured the public imagination, but the mystery surrounding the expedition's fate only deepened as more clues were found. How did Franklin's final expedition end in tragedy? What happened to the crew? The thrilling discoveries in the Arctic of the wrecks of Erebus in 2014 and

Terror in 2016 have brought the events of 170 years ago into sharp focus and excited new interest in the Franklin expedition. This richly illustrated book is an essential guide to this story of heroism, endurance, tragedy and dark desperation.

Darwin's Blade
Mulholland Books

Darwin Minor travels a dangerous road. A Vietnam veteran turned reluctant expert on interpreting the wreckage of fatal accidents, Darwin uses science and instinct to unravel the real causes of unnatural disasters. He is very, very good at his job. His latest case promises to be his most challenging yet. A spate of seemingly random high-speed car accidents has struck

the highways of southern California. Each seems to have been staged-yet the participants have all died. Why would anyone commit fraud at the cost of his own life? The deeper Darwin digs, the closer he comes to unmasking an international network specializing in intimidation and murder, whose members will do anything to make sure Darwin soon suffers a deadly accident of his own. "A literary thriller like no other...A hard-charging, edge-of-the-seat tale."-Milwaukee Journal Sentinel

Ice Ghosts: The Epic Hunt for the Lost Franklin Expedition

W. W. Norton & Company

"Intriguing [and] enjoyable." —Ian McGuire, New York Times Book Review
Ice Ghosts weaves together the epic story of the lost Franklin Expedition of 1845—whose two ships, HMS Erebus and HMS Terror, and their crew of 129 were lost to the Arctic ice—with the modern tale of the scientists, divers, and local Inuit behind the recent incredible discoveries of the wrecks. Paul Watson, a Pulitzer Prize-winning

journalist who was on the icebreaker that led one of the discovery expeditions, tells a fast-paced historical adventure story and reveals how a combination of faith in Inuit knowledge and the latest science yielded a discovery for the ages.

The Fifth Heart
Hachette UK

In 1893, Sherlock Holmes and Henry James come to America together to investigate the suicide of Clover Adams, wife of the esteemed historian Henry Adams - a member of the family that has given the United States two Presidents. Quickly, the investigators deduce that there's more to Clover's death than meets the eye - with issues of national

importance at stake. Holmes is currently on his Great Hiatus - his three-year absence after Reichenbach Falls during which time the people of London believe him to be deceased. The disturbed Holmes has faked his own death and now, as he meets James, is questioning what is real and what is not. Holmes' theories shake James to the core. What can this master storyteller do to fight against the sinister power - possibly Moriarty - that may or may not be controlling them from the shadows? And what was Holmes' role in Moriarty's rise? Conspiracy, action and mystery meet in this superb literary hall of mirrors from the author of *Drood*.

Terror

The Troop *Simon and Schuster*

WINNER OF THE JAMES HERBERT AWARD FOR HORROR WRITING “The Troop scared the hell out of me, and I couldn’t put it down. This is old-school horror at its best.” —Stephen King Once every year, Scoutmaster Tim Riggs leads a troop of boys into the Canadian wilderness for a weekend camping trip—a tradition as comforting and reliable as a good ghost story around a roaring bonfire. But when an unexpected intruder stumbles upon their campsite—shockingly

thin, disturbingly pale, and voraciously hungry—Tim and the boys are exposed to something far more frightening than any tale of terror. The human carrier of a bioengineered nightmare. A horror that spreads faster than fear. A harrowing struggle for survival with no escape from the elements, the infected...or one another. Part *Lord of the Flies*, part *28 Days Later*—and all-consuming—this tightly written, edge-of-your-seat thriller takes you deep into the heart of darkness, where fear feeds on sanity...and terror hungers for more.

Light Boxes

A Novel *Penguin*

A poignant and

fantastical first novel by a timeless new literary voice. With all the elements of a classic fable, vivid descriptions, and a wholly unique style, this idiosyncratic debut introduces a new and exciting voice to readers of such authors as George Saunders, Kurt Vonnegut, and Yann Martel. In *Light Boxes*, the inhabitants of one closely-knit town are experiencing perpetual February. It turns out that a god-like spirit who lives in the sky, named February, is punishing the town for flying, and bans flight of all kind, including hot air balloons and even children's kites. It's February who makes the sun nothing but a faint memory, who blankets the ground with snow, who

freezes the rivers and the lakes. As endless February continues, children go missing and more and more adults become nearly catatonic with depression. But others find the strength to fight back, waging war on February.

The Man Who Ate His Boots

The Tragic History of the Search for the Northwest Passage *Anchor*

Documents the experiences of nineteenth-century adventurers who searched for the Northwest Passage, describing the sixteenth-century myths that inspired their pursuits and the ways in which many met tragic ends when confronting the harsh

Arctic elements.

Too Far Gone *St. Martin's Paperbacks*

When a man who appears mentally unstable holds a group of people hostage and dies in a shootout with the FBI, Special Agent Lucy Kincaid is assigned to investigate what happened. Up until two months ago, McMahon was a respected scientist—then his wife left him, he lost his job, and was arrested for assaulting a former colleague. The one person who might have answers — his research assistant — has disappeared. While Lucy is investigating this bizarre case, her husband Sean is on top of the world: his son Jesse is visiting for the summer. They are having a blast, until

someone follows them. Sean is positive that the surveillance is connected to Jesse's step-father—a man who had once laundered money for a violent drug cartel. But when Lucy and Jesse are run off the road, they begin to wonder if the attack is connected to Jesse ... or Lucy's current case. Nothing is what it seems—not the McMahon investigation or the car accident. As Sean and Lucy dig deep into the lives of everyone involved, one thing becomes clear: If they don't find the truth fast, everyone they care about is in danger.

The Hunger *Penguin*

"A retelling of the fate of the Donner Party, with a Walking Dead style twist"--

Olympos *Harper Collins*

Beneath the gaze of the gods, the mighty armies of Greece and Troy met in fierce and glorious combat, scrupulously following the text set forth in Homer's timeless narrative. But that was before twenty-first-century scholar Thomas Hockenberry stirred the bloody brew, causing an enraged Achilles to join forces with his archenemy Hector and turn his murderous wrath on Zeus and the entire pantheon of divine manipulators; before the swift and terrible mechanical creatures that catered for centuries to the pitiful idle remnants of Earth's human race began massing in the millions, to exterminate rather

than serve. And now all bets are off.

Gateway *Orion Publishing Group*

Wealth . . . or death. Those were the choices Gateway offered. Humans had discovered this artificial spaceport, full of working interstellar ships left behind by the mysterious, vanished Heechee. Their destinations are preprogrammed. They are easy to operate, but impossible to control. Some came back with discoveries which made their intrepid pilots rich; others returned with their remains barely identifiable. It was the ultimate game of Russian roulette, but in this resource-starved future there was no shortage of desperate volunteers.

Dark Matter

A Ghost Story *Orion*

January 1937. Clouds of war are gathering over a fogbound London. Twenty-eight year old Jack is poor, lonely and desperate to change his life. So when he's offered the chance to be the wireless operator on an Arctic expedition, he jumps at it. Spirits are high as the ship leaves Norway: five men and eight huskies, crossing the Barents Sea by the light of the midnight sun. At last they reach the remote, uninhabited bay where they will camp for the next year. Gruhuken. But the Arctic summer is brief. As night returns to claim the land, Jack feels a creeping unease. One by one, his companions are forced to leave. He

faces a stark choice. Stay or go. Soon he will see the last of the sun, as the polar night engulfs the camp in months of darkness. Soon he will reach the point of no return - when the sea will freeze, making escape impossible. And Gruhuken is not uninhabited. Jack is not alone. Something walks there in the dark.
