Review Of Commercialization And Agricultural Development ...

### **Review Of Commercialization And Agricultural Development ...**

Agricultural commercialisation occurs when agricultural enterprises and/or the agricultural sector as a whole rely increasingly on the market for the sale of produce and for the acquisition of production inputs, including labour. It is an integral and critical part of the process of structural transformation (see section 1.1), through which a growing economy transitions, over a period of several decades or more: from one where the majority of the population live in rural areas and depend ...
