The Monster's air-cooled engine is very reliable as long as it is treated correctly, so a good service history is always right at the top of the wish list. The finish is surprisingly good on the S2R, certainly better than the early M900 Monsters, and so any signs of paint flaking off the engine hints at a bike that hasn't been that well cared for. The S2R comes with the APTC clutch, which gives a lovely light clutch action with a slipper function, so leaking slave cylinders are rare ...
