Why Mosquitoes Buzz in People's Ears Group Set

Activity Guide

Jamaica's Blue Marker *HarperCollins*

Jamaica was friends with everyone in school - except for Russell. No wonder: Russell was a mean brat. When they had art class, Russell borrowed her markers and spoiled her picture. At recess, he threw sand and chased little kids. Jamaica certainly wasn't sorry to learn that Russell was going to move away. She didn't even want to make a card for him, the way the others in her class were doing. But then something happened to change her mind . . .

Why Mosquitoes Buzz in People's Ears

Bringing the Rain to Kapiti Plain *Pan Macmillan*

Find out how Ki-pat the herd boy ended a dreadful drought. An enjoyable and vividly illustrated rhyming story.

Why Mosquitoes Buzz in People's Ears and Other African "why" Tales

Mufaro's Beautiful Daughters *Harper Collins*

Mufaro was a happy man. Everyone agreed that his two daughters were very beautiful. Nyasha was kind and considerate as well as beautiful, but everyone -- except Mufaro -- knew that Manyara was selfish, badtempered, and spoiled. When the king decided to take a wife and invited "The Most Worthy and Beautiful Daughters in the Land" to appear before him, Mufaro declared proudly that only the king could choose between Nyasha and Manyara. Manyara, of course, didn't agree, and set out to make certain that she would be chosen. John Steptoe has created a memorable modern fable of pride going before a fall, in keeping with the moral of the folktale that was his inspiration. He has illustrated it with stunning paintings that glow with the beauty, warmth, and internal vision of the land and people of his ancestors.

Sylvester and the Magic Pebble *Simon and Schuster*

Caldecott Medal Winner This deluxe edition of *Sylvester and the Magic Pebble* truly recaptures that magic for a whole new generation of readers—featuring retouched, vibrant illustrations and William Steig's moving Caldecott Medal acceptance speech. One rainy day, Sylvester finds a magic pebble that can make wishes come true. But when a lion frightens him on his way home, Sylvester makes a wish that brings unexpected results. How Sylvester is eventually reunited with his loving family and restored to his own donkey self makes a story that is beautifully

tender and perfectly joyful.

Buzz, Sting, Bite *Simon & Schuster*

An enthusiastic, witty, and informative introduction to the world of insects and why we—and the planet we inhabit—could not survive without them. Insects comprise roughly half of the animal kingdom. They live everywhere—deep inside caves, 18,000 feet high in the Himalayas, inside computers, in Yellowstone's hot springs, and in the ears and nostrils of much larger creatures. There are insects that have ears on their knees, eyes on their penises, and tongues under their feet. Most of us think life would be better without bugs. In fact, life would be impossible without them. Most of us know that we would not have honey without honeybees, but without the pinhead-sized chocolate midge, cocoa flowers would not pollinate. No cocoa, no chocolate. The ink that was used to write the Declaration of Independence was derived from galls on oak trees, which are induced by a small wasp. The fruit fly was essential to medical and biological research experiments that resulted in six Nobel prizes. Blowfly larva can clean difficult wounds; flour beetle larva can digest plastic; several species of insects have been essential to the development of antibiotics. Insects turn dead plants and animals into soil. They pollinate flowers, including crops that we depend on. They provide food for other animals, such as birds and bats. They control organisms that are harmful to humans. Life as we know it depends on these small creatures. With ecologist Anne Sverdrup-Thygeson as our capable, entertaining guide into the insect world, we'll learn that there is more variety among insects than we can even imagine and the more you learn about insects,

the more fascinating they become. *Buzz, Sting, Bite* is an essential introduction to the little creatures that make the world go round.

Reading Beyond the Basal

The large number of activities in this guide gives the students an opportunity to choose appropriate activities to help them become active learners and enthusiastic, thinking readers.

Mansa Musa *Houghton Mifflin Harcourt*

A fictional account of the nomadic wanderings of the boy who grew up to become Mali's great fourteenth-century leader, Mansa Musa.

Why Mosquitoes Buzz in People's Ears, How Leopard Got His Spots, How Giraffe Got Such a Long Neck *Benchmark Education Company*
