Chevrolet Cavalier anti-theft help - Page 2 — Car Forums ...

easiest thing to do is disable the anti-theft. typical alarms use a relay to interrupt the starter circuit. however the factory systems are smarter then that and allow the starter to engage but cuts the fuel system. but the anti-theft is still an expansion or stand-alone unit, meaning there should be a fuse/relay or another way to disable the system. i would get the wiring diagram of the system and pull it the whole thing completely. hope this is helpful.
