The problem is
compounded by the

fact that outboards
were branded with
most of these names
even after the original
company had been
sold. For example the
Archimedes brand of
1911 has been used off
and on through 1978.
It all started with two
brothers by the names
of O.W. Hult and C.A.
Hult. They were
officials of AB
Archimedes of
Stockholm Sweden.
