Hikikomori Adolescence Without End

Hikikomori: Adolescence without end (1998) (2013 translation) by Tamaki Saitō is a fascinating book about the Japanese phenomenon of the hikikomori, young people withdraw into their parents house in adolescence or early adulthood and stay there for years, often not talking to anyone or just their family.

Hikikomori: Adolescence without End by Tamaki Saitō

This is the first English translation of a controversial Japanese best seller that made the public aware of the social problem of hikikomori, or “withdrawal”—a phenomenon estimated by the author to involve as many as one million Japanese adolescents and young adults who have withdrawn from society, retreating to their rooms for months or years and severing almost all ties to the outside world. Saitō Tamaki’s work of popular psychology provoked a national debate about the causes and
