Importance of English language. It would not be exaggeration to say that English today has the same importance

in the world as Latin had at the times of Roman Empire and Medieval times. Surely, unlike Latin that was forcefully taught by the Romans and was a sign of a citizen with human rights and basic privileges, learning English now is fully a person's choice.

ESL is explored through the democratic process of equal opportunity for ESL students. In your English as a Second Language (ESL) research paper, use the principles of democratic education to examine the current status quo of English as a Second Language or ESL education. Paper Masters recommends that your English as a second language research paper should use the educational theory espoused by John Dewey, and to a lesser extent, his ideological successor, Paulo Freire to examine ESL theory.
