Rethinking Labour was founded by professors Stephanie Ross and Larry Savage in 2012 to communicate with the public about their research on workers, their unions and political strategies. In this era of growing economic inequality and threats to democracy, Ross and Savage seek to contribute to public debates about the role of the labour movement in improving workers' lives and fostering social and economic justice.

Rethinking Labour - Home

Rethinking the American Labor Movement tells the story of the various groups and incidents that make up what we think of as the "labor movement."

While the efforts of the American labor force towards greater wealth parity have been rife with contention, the struggle has embraced a broad vision of a more equitable distribution of the nation's wealth and a desire for workers to have greater control over their own lives.
