Nutrition Care Process In Pediatric Practice [PDF, EPUB EBOOK]

In 2006, the BDA published the Nutrition and Dietetic Care Process (3) to describe the knowledge, skills and the critical thinking employed by dietitians. The Nutrition and Dietetic Care Process was influenced by the Academy of Nutrition and Dietetics' (formerly the American Dietetic Association) Nutrition Care Process and Model (4).

Model and Process for Nutrition and Dietetic Practice

The book reviews 15 conditions an RDN may encounter in the pediatric setting and walks you through how to apply the Nutrition Care Process (NCP). Each chapter contains common nutrition assessment terms for a specific condition, sample PES statements, common nutrition intervention terminology, nutrition monitoring and evaluation examples, and a case study based on the authors' day-to-day practices.
