Philosophy Here and Now

Powerful Ideas in Everyday Life

"Philosophy Here and Now: Powerful Ideas in Everyday Life, Fourth Edition, is a topically organized hybrid text/reader that helps students understand, appreciate, and even do philosophy. The book emphasizes philosophical writing, reinforced with step by step coaching in how to write argumentative essays and supported by multiple opportunities to hone critical thinking. It shows students how philosophy applies to their own lives and brings the subject to life with engaging chapter ending literary selections, abundant illustrations, and a wealth of pedagogical features"--

Alan Watts's Here and Now

Contributions to Psychology, Philosophy, and Religion *SUNY Press*

Considers the contributions and contemporary significance of

Alan Watts. Alan Watts—Here and Now explores the intellectual legacy and continuing relevance of a prolific writer and speaker who was a major influence on American culture during the latter half of the twentieth century. A thinker attuned to the spiritual malaise affecting the Western mind, Watts (1915–1973) provided intellectual and spiritual alternatives that helped shape the Beat culture of the 1950s and the counterculture of the 1960s. Well known for introducing Buddhist and Daoist spirituality to a wide Western audience, he also wrote on psychology, mysticism, and psychedelic experience. Many idolized Watts as a guru-mystic, yet he was also dismissed as intellectually shallow and as a mere popularizer of Asian religions (the “Norman Vincent Peale of Zen”). Both critical and appreciative, this edited volume locates Watts at the forefront of major paradigmatic shifts in Western intellectual life. Contributors explore how Watts’s work resonates in present-day scholarship on psychospiritual transformation, Buddhism and psychotherapy, Daoism in the West, phenomenology and hermeneutics, humanistic and transpersonal psychology, mysticism, and ecofeminism, among other areas.

Perceptions *Createspace Independent Publishing Platform*

Mansourou comes out of the gate firing and does not relent in this criticism of religious notions and influence. Rather than refer to religion in general terms or acts in the name of religion, Mansourou attacks religious undertones and what is not often looked at in religious subtext along with modern religious theology for their shallow and vacant themes in today's complex society.

The Cost *Wildside Press LLC*

Phillips was born in Madison, Indiana. After graduating high school Phillips entered Asbury College following which he degreed from College of New Jersey in 1887. After completing his education, Phillips worked as a newspaper reporter in Cincinnati, Ohio before moving on to New York City where he was employed as a columnist and editor with the New York World until 1902. In his spare time, he wrote a novel, The Great God Success that was published in 1901. The book sold well enough that his royalty

income was sufficient enough to allow him to work as a freelance journalist while dedicating himself to writing fiction. Writing articles for various prominent magazines, he began to develop a reputation as a competent investigative journalist. Considered a progressive, Phillips' novels often commented on social issues of the day and frequently chronicled events based on his real-life journalistic experiences.

The Book

Everything you need to know to look after yourself to bring about and maintain perfect health, prosperity, wealth, happiness, quality of life and longevity. It reveals that we are, without realising, not doing enough or the right things to protect our health and prosperity which is equally extremely damaging to nature, wildlife, oceans, sea-life, fresh springs, waterways and air, and us. The Book by Linde utilises new and ancient knowledge from around the world, over the millennia identifying what changes we need to make to enhance every aspect of our lives with simple solutions for almost every situation. It is your most powerful contribution to protecting, nurturing and saving our planet. In summary, 'THE BOOK' Consists of Six Chapters which incorporates a summary within each one: Lifestyle; Food & Nutrition; Medical Care; Mind; Water; and Now Live the final chapter which you can cast your eye over first as it is a synopsis of the complete works. It is highly recommend to read from cover to cover but, it is packed with valuable information to just use as a Reference Manual on a day to day basis. Teaches you how to look after your body and mind to ultimately prevent illness, but also to help regain and maintain perfect health; Provides

countless number of practical, realistic & simple tips to easily adopt into your day to day lifestyle improving quality of life, saving time & money and gaining longevity; Fuses together specialised areas in health & mind, lifestyle & environment under one cover; Identifies our day to day toxic exposures that we are unaware of and provides successful resolutions; Gives you complete fundamental knowledge and awareness, to use your courage to take responsibility for your life enhancing your health, prosperity and happiness; Provides you with ancient knowledge and practices to new, from science including quantum physics, to philosophy, psychology, and important detail on nutrition, exercise, energies and medicine; Is very current, answering all the conflicting hype about diets, the next super food or the bad effects of conventional drugs or sugar that are in the media weekly, even daily; For more information please visit www.thebookbook.co.uk

Featuring an exceptionally clear and accessible writing style, this unique volume brings philosophy to life with well-chosen excerpts from philosophers' works, abundant in-text learning aids, and compelling color photos and illustrations.

My Sword for a Scalpel

Before Alabama became a state, it was already being occupied. Many Indians lived here and most were sent west to Oklahoma by Andrew Jackson amidst the "Trail of Tears." Many Caucasian people settled Alabama after coming here with Andrew Jackson to fight the Creeks and Choctaws. After that campaign reached conclusion, many soldiers just stayed. East Jefferson County became the home of some, plus others came in wagon trains as squatters to Springville, Chalkville, and Trussville. After one generation, these communities plus dozens of others were populated by adventure seeking people from the Northern areas. Benton Berryhill was one such immigrant. He was killed as a tree being cut fell on him, leaving a grown married son who fostered Franklin, Jeb, and Jenny. By the time these children were older teens, the Civil war had begun and soon would engulf all of the Southern states and involved thousands of Rebel and Yankee soldiers. It is understandable that feelings ran so high, and boys

by the score were soon off at war. Jeb Berryhill was high strung and a Confederate through and through. He was one of the first Jefferson County boys to enlist. Later, Franklin, who hated slavery, the war and the feelings of his neighbors, felt obligated to also join. He started as a private in the Confederacy and fought in scores of conflicts and major battles. He was also indoctrinated as surgeons helper and later became a full fledged doctor as well as a fighting soldier. Franklin survived the war, but Jeb did not. Their father traveled to Champions Hill in Mississippi to retrieve Jeb's body. Franklin had risen to the rank of Captain Surgeon. After the bloody, death filled, tragic war was finished, Franklin, convinced he wanted to become a civilian doctor, finished his education attained his goal, and then helped to establish Birmingham, the largest city in the state. This Novel describes most of the major battles of the awful war. It follows the Berryhill family from their arrival in Jefferson County up until Franklin's old age. Read about the bloody battles of Gettysburg, Shiloh, Chickamauga, Vicksburg, and Chattanooga. Plus many others. Learn of Robert E. Lee. Braxton Bragg, Nathan Bedford Forrest, Fighting Joe Wheeler, Jeb Stuart, Stonewall Jackson, and James Longstreet. Plus, Ulysses Grant, Old Brains Halleck, William T. Sherman, Abraham Lincoln and his Emancipation Proclamation, William Rosecrans, Daniel McCook, John Schofield, and George Armstrong Custer. By reading "My Sword for a Scalpel" the Civil War enthusiast can renew previous learning. Novice readers can hear about what happened at various important places. The Novel is generally entertaining plus informative. Hundreds of places and men were actual participants while a few others were added for emphasis and explanation.

The Prince

Large Print

All states and dominions which hold or have held sway over mankind are either republics or monarchies. Monarchies are either hereditary ones, in which the rulers have been for many years of the same family, or else they are those of recent foundation. The newly founded ones are either entirely new, as was Milan to Francesco Sforza, or else they are, as it were, new members grafted on to the hereditary possessions of the prince that annexes them, as is the kingdom of Naples to the King of Spain. The dominions thus acquired have either been previously accustomed to the rule of another prince, or else have been free states, and they are annexed either by force of arms of the prince, or of others, or else fall to him by good fortune or merit. I will not here speak of republics, having already treated of them fully in another place. I will deal only with monarchies, and will show how the various kinds described above can be governed and maintained. In the first place, in hereditary states accustomed to the reigning family the difficulty of maintaining them is far less than in new monarchies; for it is sufficient not to exceed the ancestral usages, and to accommodate one's self to accidental circumstances; in this way such a prince, if of ordinary ability, will always be able to maintain his position, unless some very exceptional and excessive force deprives him of it; and even if he be thus deprived of it, on the slightest misfortune happening to the new occupier, he will be able to regain it. We have in Italy the example of the Duke of Ferrara, who was able to withstand the assaults of the Venetians in the year '84, and of Pope Julius in

the year '10, for no other reason than because of the antiquity of his family in that dominion. In as much as the legitimate prince has less cause and less necessity to give offence, it is only natural that he should be more loved; and, if no extraordinary vices make him hated, it is only reasonable for his subjects to be naturally attached to him, the memories and causes of innovations being forgotten in the long period over which his rule has existed; whereas one change always leaves the way prepared for the introduction of another.

I As Createspace Independent Publishing Platform

Conscious Life Energy is the substance of the world and the Absolute is the source of the substance. The unity prior to duality, yet immanent in it, is the shapeless root. It is That which does not depend on Consciousness, yet makes Consciousness possible. It is That wherein and whereof every 'I' appears and disappears. It is inconceivable for whoever attempts to conceive it. It is so clear that it is hard to see. Everything is this One displaying Itself in the multiplicity, this dance of interdependent counterparts, of presumed separate subjective self, presumed separate world, and presumed separate God. Phenomenal absence is 'I'. Everything is 'I-as'.

Happy As a Rat in a Trash Can CreateSpace

On a scale of 1 to 10, with 1 being not happy at all and 10 being very, very happy, how happy would you say you are right now, BEFORE reading this book? Now remember that number. Inside "Happy As a Rat In a Trash Can" Don challenges the reader to raise that number just as a student would be challenged to raise

up school grades. Don says this book is about YOU! It is about you becoming a little more faithful a little more grateful a little more understanding a little more forgiving a little more thoughtful a little more caring and a lot more loving Why? Because these are the things that beget happiness. In early 2008 Don's Mom went to be with the Lord. She was a person just like your Mom... very loving and invariably, always in your corner. Her Christian values were instilled in him and are presented to the readers throughout this book. Don presents his points with a sense of humor (as reflected in the title) but never does he joke about the seriousness of becoming a happier person. He'll explain why faith is necessary and how the Law of sowing and reaping is creating the world YOU live in. He'll give you a simple question to ask yourself whenever confronted with the tough choices that life brings to all of us. This book's objective is to raise your level of happiness even if you are already a happy person. Don't be surprised if those around you start to wonder what got into you! This book can be your little secret happiness project. You'll learn how and why we all need to pay more attention to others and why that will result in a better future for yourself. (see Chapter 5 - Lessons from "Groundhog Day") Being Happy is the Result of Sowing Good Seeds. If you're NOT happy, you need to read this book. Here are some great ideas that you can begin to implement immediately. Buy this book NOW! ~ You'll be Glad "HAPPY" You Did! ----- What others are saying about this book: "It takes us a lifetime to learn the lessons in this book. The author seems to have mastered them, and we would do well to learn from him. Buy this book." Helen C. Page (San Francisco) ***** "Don't let the somewhat

comic tone of the title and the cover make you think that this book isn't written in all seriousness. ...it provides what can only be called wisdom ...one of this year's must-read books." Maya Sheppard "Global Grafx Press" (Philadelphia, PA) *****

Tao Te Ching

Tao Te Ching of Lao-Tzu: Book of the Way (Annotated Edition) *CreateSpace*

Chinese people are known for being philosophical. A person doesn't necessarily have to be religious in order to be philosophical. You just have to learn the best ways to live your life so that you can have a more prosperous future. A classic Chinese manual entitled "Tao Te Ching" teaches people the art of living and the path you must take in order to find fulfillment in your life. This classic Chinese text was written by a sage named Laozi, also known as Lao Tzu. Laozi means "Old Master" in Chinese. Some people like to refer to this classic Chinese text as Laozi instead of Tao Te Ching because they have so much respect for the author. The sage, Laozi, is believed to have lived around 600 B.C. In his professional life, he worked as a record keeper for the Zhou Dynasty Court. However, historians are still unsure about the exact date and time when the Tao Te Ching was actually written. The only thing they know is that the oldest Chinese texts that were excavated dates back to sometime in the late 4th century B.C. Even though they were originally written in the 6th century, the texts that were excavated in the 4th century are likely rewritten texts. The Tao Te Ching is one of the main Chinese classic texts that promote the religious and philosophical

principles of Taoism. It is the most fundamental book of text that is studied by all Taoists. It is also a strong influence on other Chinese schools that teach Confucianism, Legalism and Chinese Buddhism. Chinese painters, poets, gardeners and calligraphers use the philosophies of the book as a source of inspiration. The influence of the Tao Te Ching has spread far throughout Eastern Asia and is one of the most translated books ever written in the history of literature. In Roman culture, the book was transcribed using the Wade-Giles Romanization system. They transcribed the title as "Daodejing." The words "Dao" and "Tao" both mean "the way." The words "De" and "Te" both mean inner strength or virtuosity. And finally, the words "Jing" and "Ching" mean "classic" or "the great book." Therefore, the translation of Tao Te Ching and Daodejing is said to be "The Classic Way to Inner Strength." In other words, if you learn the philosophies in this book then you will have the knowledge of finding the right path to strength and happiness. Tao Te Ching is not a long book to read by any means. It is only 5,000 Chinese characters long with about 81 very brief sections or chapters. The writing is of a classical form of Chinese called zhuan shu. As the centuries went by, the later versions were written in Lishu and Kaishu. As for the chapters, no one knows if the separated chapters were originally placed there by Laozi or if they were added later on. Some people think they were added later on as a way to help memorize the information and add commentary. The whole book is divided into two main parts. The first part is the Tao Ching, which goes from chapter 1 to chapter 37. The second part is the Te Ching, which goes from chapter 38 to chapter 81. Some even refer to this style of writing as laconic and poetic because of its brief chapters and

intentional contradictions. This writing is strategic in a sense because it creates memorable phrases and then forces the reader to create their own reconciliations from all the supposed contradictions. This is why it takes some people their entire lives to fully understand the message behind the text. For others, they never fully grasp it.

Attack of the Cicadas *CreateSpace*

Run for your life. Take cover. The Cicadas are coming. Everyone dreaded the return of the 17 year Cicadas, but no one knew they weren't going to be just a nuisance. This time they are coming back for Blood, ... Human Blood! There is nowhere to run, nowhere to hide once the golf ball size cicadas, with vampire fangs, come crawling out of the ground hunting for flesh and blood,For 17 years these Cicadas laid in wait in a nuclear waste dump. Once they come they devour everything and everyone in their path. Alfred Hitchcock and the birds move over, The Cicadas are coming!!!!!!!!!!!!!!!!!!!!!!

Schopenhauer As Educator *Createspace Independent Publishing Platform*

Friedrich Wilhelm Nietzsche (1844-1900) was a German philosopher. His writing included critiques of religion, morality, contemporary culture, philosophy and science, using a distinctive style and displaying a fondness for aphorism. Nietzsche's influence remains substantial within and beyond philosophy, notably in existentialism and postmodernism. Nietzsche's Third Untimely Meditation is not only his homage to Schopenhauer, but a reflection on education in the most comprehensive sense. Many

of Nietzsche's writings aimed at instructing the modern world on how to philosophize with a sledgehammer, but the premise of the Third Meditation is altogether more gentle, namely the singular marvel that is every human being.

Duney

It is an adaptation of the age-old Biblical tale of David and Goliath and opens the door for discussions on self-confidence and faith in the face of great obstacles. It is also an excellent book for schools, day cares and Sunday Schools. It is simple, inviting story, and is widely available in print and e-book for easy access.

Small Ball *Createspace Independent Publishing Platform*

September 11th, 2001 was America's wake up call to terrorism. Unfortunately, we hit the snooze alarm. The next wave of terror attacks won't be nation shaking, cataclysmic events. We're ready for that. Instead, they'll be minor, localized nightmares. Mere pinpricks to our country, but catastrophic to the small towns that find themselves in the crosshairs. Worst of all, there's nothing we can do to stop it from happening - or is there? A gritty novel extrapolated from real world events, this fast-paced, riveting thriller will leave you alarmed, angry, and awestruck at America's unpreparedness for the next wave of terror attacks. Some might refer to it as death by a thousand cuts, but the counterterrorism community calls it Small Ball. Small Ball is an indictment of our woefully wrongheaded security infrastructure and a testament to the resilience, resourcefulness, and integrity of the average American. You'll wonder why it hasn't happened already. Perhaps it's happening right now...

Pantheisticon

The Happiness Animal *CreateSpace*

Will Jelbert had what many people would consider the ideal life: a well paying job, a beautiful wife and a great apartment, but he still wasn't happy. One day the life he knew came to an abrupt end when he was thrown from his bike, face first into the sidewalk of a Sydney street. After a year in recovery, Jelbert decided to dedicate the next three years to a happiness research project. The result: The Happiness Animal. The world's first dedicated exercise guide to happiness condenses the latest applied positive psychology research into a guide to five muscles for happiness. For each muscle, Jelbert provides five simple exercises that you can apply to your everyday life, without having to adjust your schedule. Perfect for people in all walks of life, the exercises in The Happiness Animal will move you toward profound personal change and act as a driving force for your happiness.. Editorial Reviews: * * * * * "Will has an incredible ability to say things that are logical and obvious, although without somebody pointing them out in the clear way he has done, most of us don't ever think them. He identifies the power of awareness, but before I read his book I was not even aware of many of my own thoughts" - Danny Lawrence, BBC * * * * * "Will has captured an immense understanding of the inner workings of society's struggle to find happiness with a whole hearted and honest truth. The exercises explained are an excellent route back to the inner being of happiness. A must read for everyone!" - Sadie Oliver, LIFE magazine * * * * * "Will writes with honesty, authenticity and animation that allows the words on each page to

come alive and live within the reader" - Lucy Proud, The Art of Being Voted "Best Happiness Book" on Goodreads

Plain Molly

Strings of Faith

Is it possible to experience joy made full? This story is one of heroic recovery. Darcy's sights are firmly set on winning The National Oldtime Fiddle Contest in Weiser, Idaho. She barely gains traction with her quest when tragedy strikes.

Midas *Createspace Independent Publishing Platform*

Dr. Brooke Spencer always felt different from other girls. Now a successful scientist, she is finally discovering where she belongs: working alongside the brilliant, trailblazing researcher Dr. Charles Samuelson. Dr. Samuelson has recently made a discovery that has eluded philosophers and dreamers for centuries: How to transmute iron into gold. Determined to use the knowledge for good, Dr. Samuelson recruits Brooke to assist him with his new plan, his "Golden Manifesto." But humans are not alone and his discovery has not gone unnoticed. Extraterrestrial visitors seek to control Dr. Samuelson's Breakthrough, and before long, Brooke is all that stands between Earth and total Destruction. Will she be able to hold her ground? Or will the timeless temptation of gold prove too much for even the strongest of spirits? Brooke will soon face a choice that will make her question her background, her career, and the fate of the planet.

Shades of Blue - 30 Years of (Un) Ethical Policing

Shades of Blue - 30 Years of (un) Ethical Policing is an entertaining and interesting journey into the moral/ethical dilemmas that challenge police officers. It is written as the memoir of the main character and contains accounts of riveting events in the author's career. The authentic presentation places readers right in the middle of the action. If you have ever wondered about the real culture of law enforcement, this book lets you walk in their shoes. The author's street philosophy, acquired over 30 years as a police officer, makes for engaging and humorous reading.

Overcoming Me

I Am a Work in Progress

God loves us and has a plan for us. Every human being is a part in that plan. There is opposition in all things, and overcoming trials is one of the most important lessons we can learn. It took me a long time to figure this out and I am grateful for what I have learned. But those lessons did not come without a price. In this little book, I will humbly share some of what I have learned.

A little bit of this, a little bit of that. Shit, Niggas need to know!

Self Made Bitch *CreateSpace Independent Publishing Platform*

Tell em to hold on, a real bitch is coming.' Kahyla James was an ordinary girl with dreams of one day making it big. And she was

well on her way, especially with a street gangsta like Anthony 'Boston' Dixon training her to be a self made bitch. But when she was betrayed by the people that she loved the most it forced her to take actions into her own hands and show the city just how ruthless she could be. Ride with Kahyla as she navigates the streets showing the gangsta's that the penalty for betrayal is still death.

Choose This Day *CreateSpace Independent Publishing Platform*

As Ruben Wells kneels with a gun pointed at his head all he can do is reflect on the life he spoiled. What has led him here? Was it his willingness to always try to do the right thing that has him staring at the barrel of a gun? Or was that he was too much of a people pleaser having a hard time saying no that has led to him begging for his life? Every thing begins and ends with a choice. The moment a choice is made it only takes a second for a life to change. Ruben made a choice to initiate a relationship with the alluring Bianca Jones. She makes heads turn and every man's dream. She is beautiful as a gazelle, but as dangerous as a lioness, as she's unavailable due to being unhappily married with children. Being married doesn't keep her from wanting to pursue Ruben as well as being pursued by him. Getting involved with Bianca changes Ruben's life in ways he never could have imagined. Choices are a gift constantly given to everyone. The choices made lead to different paths. We all have to choose this day what we're going to do with our own lives not knowing what the end result will be. What kind of impact will Ruben's choices have on his life?

Intellectual Religion

The book "Intellectual Religion" consists of potential revolutionaries ideas: like why calling us Hindu is as wrong as calling us Indian. Why religions should be regarded merely as deceptions and Cultures only as traps. The concept of Secularism is proved irrational. Why "KaamSutra" is not a taboo. The chapters of "Discovery of Soul," "Art of Death" and "Art of Life" will demystify the riddle of Hinduism. Why "Morality is Satanic" and the characteristics of true Freedom are discussed. Further, "Caste System" is dealt in details. The last chapter "Manage Yourself" will let the readers relate to Discipline, self-development, yoga, meditation and improving oneself. The chapters like "Advice to Religions" and also, "Advice to Democracies" will challenge the threat of multi-dogmatic-religious society.

Adaptive Leadership Complete Self-Assessment Guide 5starcooks

Is there a critical path to deliver Adaptive Leadership results? How likely is the current Adaptive Leadership plan to come in on schedule or on budget? Is the Adaptive Leadership scope manageable? How do we maintain Adaptive Leadership's Integrity? What role does communication play in the success or failure of a Adaptive Leadership project? This powerful Adaptive Leadership self-assessment will make you the credible Adaptive Leadership domain master by revealing just what you need to know to be fluent and ready for any Adaptive Leadership challenge. How do I reduce the effort in the Adaptive Leadership work to be done to get problems solved? How can I ensure that

plans of action include every Adaptive Leadership task and that every Adaptive Leadership outcome is in place? How will I save time investigating strategic and tactical options and ensuring Adaptive Leadership opportunity costs are low? How can I deliver tailored Adaptive Leadership advise instantly with structured going-forward plans? There's no better guide through these mind-expanding questions than acclaimed best-selling author Gerard Blokdyk. Blokdyk ensures all Adaptive Leadership essentials are covered, from every angle: the Adaptive Leadership self-assessment shows succinctly and clearly that what needs to be clarified to organize the business/project activities and processes so that Adaptive Leadership outcomes are achieved. Contains extensive criteria grounded in past and current successful projects and activities by experienced Adaptive Leadership practitioners. Their mastery, combined with the uncommon elegance of the self-assessment, provides its superior value to you in knowing how to ensure the outcome of any efforts in Adaptive Leadership are maximized with professional results. Your purchase includes access details to the Adaptive Leadership self-assessment dashboard download which gives you your dynamically prioritized projects-ready tool and shows your organization exactly what to do next. Your exclusive instant access details can be found in your book.

The Happy Fools Createspace Independent Publishing Platform

A devoted employee of the FIA (Federal Intelligence Agency), Eurian lives a comfortable and secure life, spanned with bureaucratic conflicts and desires for promotion. He will find himself thrust into an international conflict to track down and

stop a subversive cyberterrorist movement. His desire for a foreign assignment will finally be met, but not in the way he expected. Assigned to Kerploueck, a sleepy village at the far edge of the world, he will be forced to let go of the comfort and stability of his previous lifestyle. With this temporary assignment, the complacent bureaucrat finds himself a spy-but with none of the excitement and adventure he had dreamed of. He now must find new objectives to survive this wholly uninteresting assignment. What happens to the FIA and to the success of the worldwide search for the subversive cyber-terrorists will slowly drift away from Eurian's mind. Interestingly enough, when this book was started, internet spying, hacking, and cyberterrorism were rhetorical discussions. Today, we live in a different reality. Truth and facts are not as important as swaying unmindful, gullible populations. George Orwell's "alternative facts" are common place and universally acceptable. With the ocean of information now accessible to anyone, individuals, organizations, and even governments are scrambling to control its sources and promulgate their agendas. This is the essence of "The Happy Fools." Following Eurian and his unanticipated quest for truth, many topics of modern society will be discussed. This book also serves as a compendium of the latest technologies, sciences, ideas and movements. Focusing primarily on the most pertinent latest developments, each providing hope and insights that could change our lives. The underlying prerequisite of being happy is to avoid stress and the unknown. Therein lies a potential philosophical issue. Shutting the doors to outside turmoil, to world problems and issues, is a good safeguard for happiness. Close-mindedness brings confidence, as the world's problems

appear simple and the solutions two-sided. Inversely, knowledge creates a spirit of inquiry, a burning desire for more knowledge, spurring new questions that beg for answers, ultimately resulting in a loss of conviction and an understanding that we will never truly understand the world in its endless complexities. Do we choose closed-minded confidence, or a life dedicated to the pursuit of knowledge with the uncertainties, frustrations, and complexities that it yields?

Phaedrus Hackett Publishing

"A superb translation that captures the rhetorical brilliance of the Greek. . . . The translation is faithful in the very best sense: it reflects both the meaning and the beauty of the Greek text. . . . The footnotes are always helpful, never obtrusive. A one-page outline is useful since there are no editorial additions to mark major divisions in the dialogue. An appendix containing fragments of early Greek love poetry helps the reader appreciate the rich, and perhaps elusive, meaning of eros. . . . The entire Introduction is crisply written, and the authors' erudition shines throughout, without a trace of pedantry. . . . this is an excellent book that deservedly should find wide circulation for many years to come." -- Tim Mahoney, University of Texas at Arlington Paul Woodruff is Professor of Philosophy, University of Texas at Austin.

A History of Ancient Philosophy

Living Philosophy

A Historical Introduction to Philosophical Ideas Oxford

University Press, USA

Living Philosophy, a historically organized, introductory hybrid text/reader, guides students through the story of philosophical thought from the Pre-Socratics to the present, providing cultural and intellectual background and explaining why key issues and arguments remain important and relevant today. Featuring an exceptionally clear and accessible writing style, this unique volume brings philosophy to life with well-chosen excerpts from philosophers' works, abundant in-text learning aids, and compelling color photos and illustrations. FEATURES * A comprehensive introductory chapter lays the groundwork for philosophical thinking * "Then and Now," "Details," and "Portrait" boxes throughout the text demonstrate the value and relevance of philosophy * Additional pedagogical aids--chapter objectives and summaries, marginal critical thinking questions, essay/discussion questions, and a glossary--make the material even more engaging and accessible * In-depth coverage of philosophical writing includes step-by-step coaching in argument basics and multiple opportunities to hone critical thinking skills * Charts, tables, and color photos keep students visually engaged * A "How to Write a Philosophy Paper" appendix offers concise, step-by-step guidance in crafting an effective philosophical essay

Looseleaf for Doing Philosophy: An Introduction Through Thought Experiments *McGraw-Hill Education*

Doing philosophy inspires active learning and helps students become more accomplished critical thinkers by encouraging them to reflect on philosophical theories and the thought experiments used to test them. The book traces the historical

development of philosophical thinking on a number of central problems and shows how the solutions offered to these problems inform current thinking on many social, political, and religious issues. By introducing students to philosophical theorizing and encouraging them to formulate their own views, Doing Philosophy fosters creative as well as critical thinking and generates an appreciation for the importance of philosophical inquiry.

Campus Conflicts *Oxford University Press, USA*

The Ethics of Campus Conflicts is a Contemporary Moral Problems textbook that focuses on controversial issues relevant to college campuses. It is a hybrid of running text elucidated by passages from relevant readings--readings taken from books and essays by commentators who have studied, and sometimes been party to, the campus controversies featured in the book

Applying Critical Thinking to Modern Media

Effective Reasoning about Claims in the New Media

"This is the only book that teaches critical thinking skills by applying them to the consumption of modern media. The active involvement with this vitally important area enhances student engagement and learning and prepares students to be independent and intelligent consumers of information that they encounter in their daily lives"--

Doing Philosophy: an Introduction Through Thought Experiments

Suicide: A PERMANENT DECISION TO A PASSING PROBLEM*Palibrio*

“Actually, suicidal persons don’t want to die, they just want to stop living the way they have been up to now.” People who suffer intensely and think about taking their life are experiencing a severe depression and high degree of hopelessness and confusion which darken and limit their vision of life. It is a perspective that only allows them to see death as the solution to heal the suffering their existence has become. Joseluis Canales (Dado) reveals in this book that suicide is not the only solution to pain. The text provides a searing reflection on this tragic subject while offering perspectives to overcome it. This expert on psychotrauma delicately unpacks the intricacies of the act so that those with a suicidal risk can begin to heal their pain and see the

life options before them—options which right now seem unassailable. Dado accomplishes, through intelligent and thought-provoking arguments, an intimacy with readers who may be dealing with this life crisis, to help them find an escape from the haziness and confusion enveloping them. “My dream, my hope behind all this work, is that this book falls into the hands of someone that’s considering suicide as the only way out from the hell they are suffering. This person may be you, and perhaps by reading this book you can overcome the existential crisis you are living through, and your life can go on. My fantasy is that someone at suicidal risk unable to imagine that this suffering can be left behind, decides to seek help...Maybe, just maybe, this book can save one life. That life may be yours and because of that and nothing else, it will have been worth it to write this book”—Dado
